THE RAINBOW
1960

published by students of

Richmond Academy

Augusta, Georgia

FOREWORD

Students and Faculty:

Between the covers of this book are pages of people and events in your own personal world. More than a stereotyped account of your high school days, THE RAINBOW 1960 is a yearbook embodied with the idealism of tradition and featuring the symbols of that idealism: the Flag, inspirational and protective; the decorative shield and sabres prominent in the architectural design; the challenging inscriptions at the entrance; the authoritative seals of the school and of the state; the Purple and the Gold; and in your Senior year the handsome Academy ring.

May this issue of THE RAINBOW bring you pride and pleasure in the present, and may it bring you many cherished memories tomorrow when you have learned to "leave the chaff and take the wheat."

The Editors

Some men think that the gratification of curiosity is the end of knowledge; some, the love of fame; some, the love of dispute; some, the necessity of supporting themselves by their knowledge; but the real use of all knowledge is that we should dedicate that reason which was given to us by God to the use and advantage of mankind.

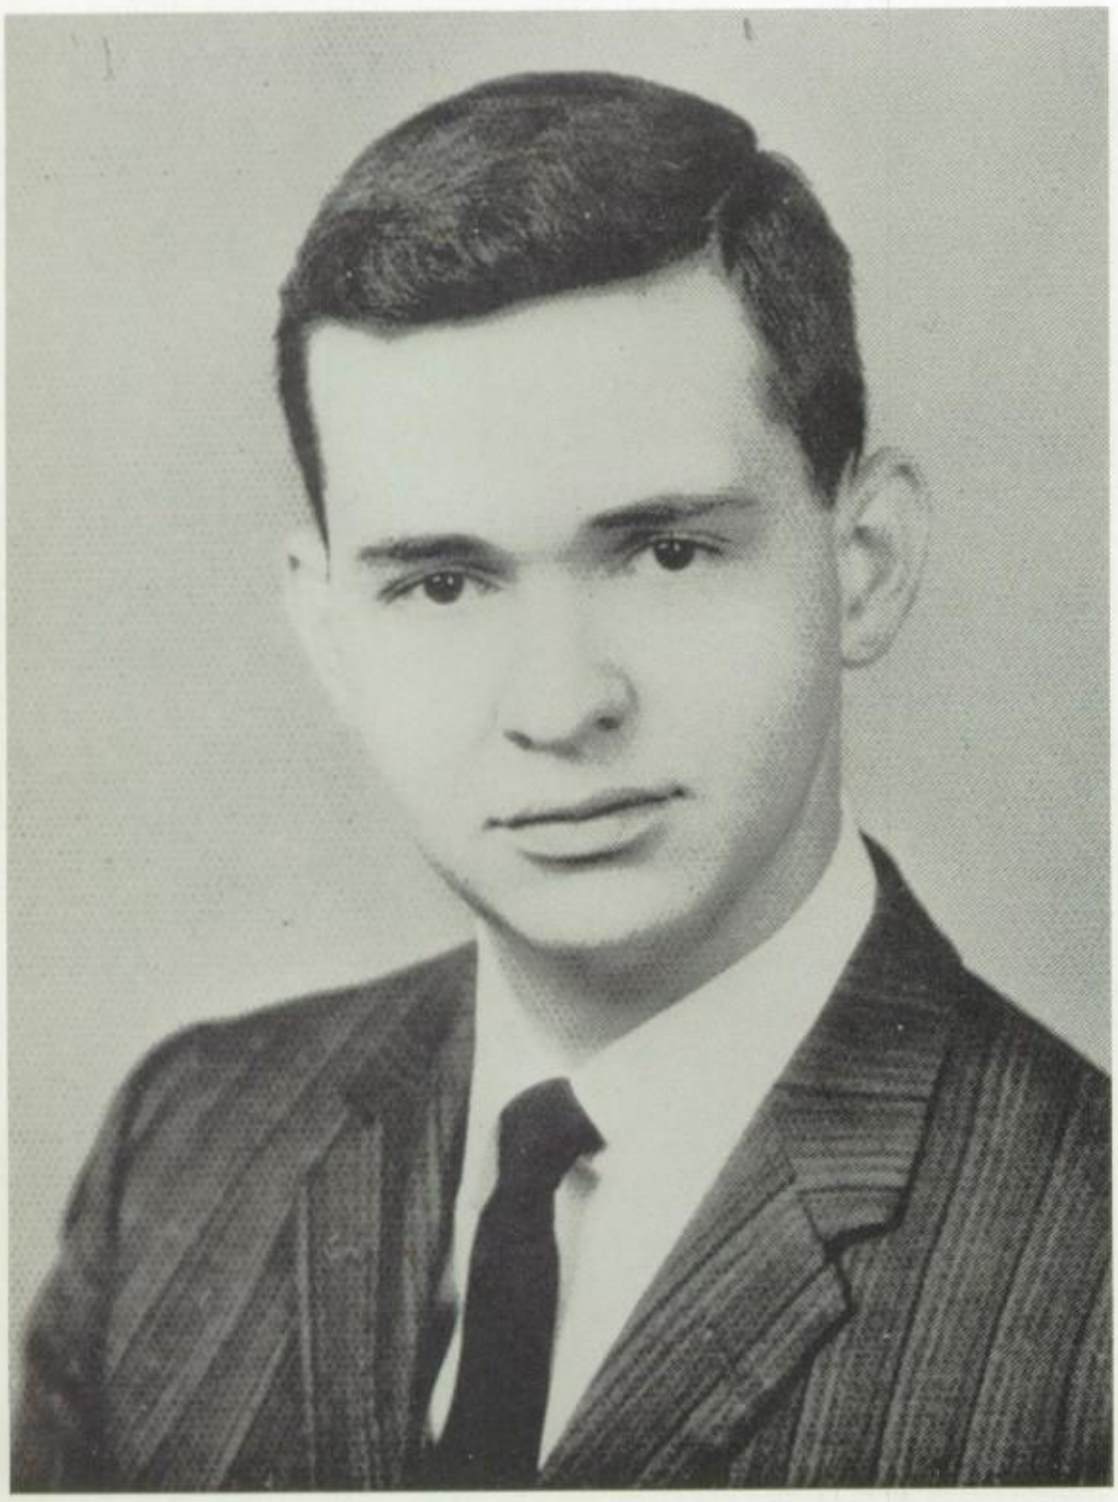
If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, if we imbue them with principles, with the just fear of God, and love of our fellow-men, we engrave on those tablets something which will brighten to all eternity.

—DANIEL WEBSTER

IN MEMORIAM



Music is well said to be the speech of angels; in fact, nothing among the utterances allowed to man, is felt to be so Divine. It brings us near to the Infinite; we look for moments across the cloudy elements into the eternal light, when song leads and inspires us.

—THOMAS CARLYLE

Gerald Stanley

who for too short a time gave
a part of himself to our school

IN MEMORIAM

The hero is one who kindles a great light in the world, who sets up blazing torches in the dark streets of life for men to see by. The saint is the man who walks through the dark paths of the world, himself a light.

—FELIX ADLER

could not leave unrecorded

ALMA MATER

Alma Mater

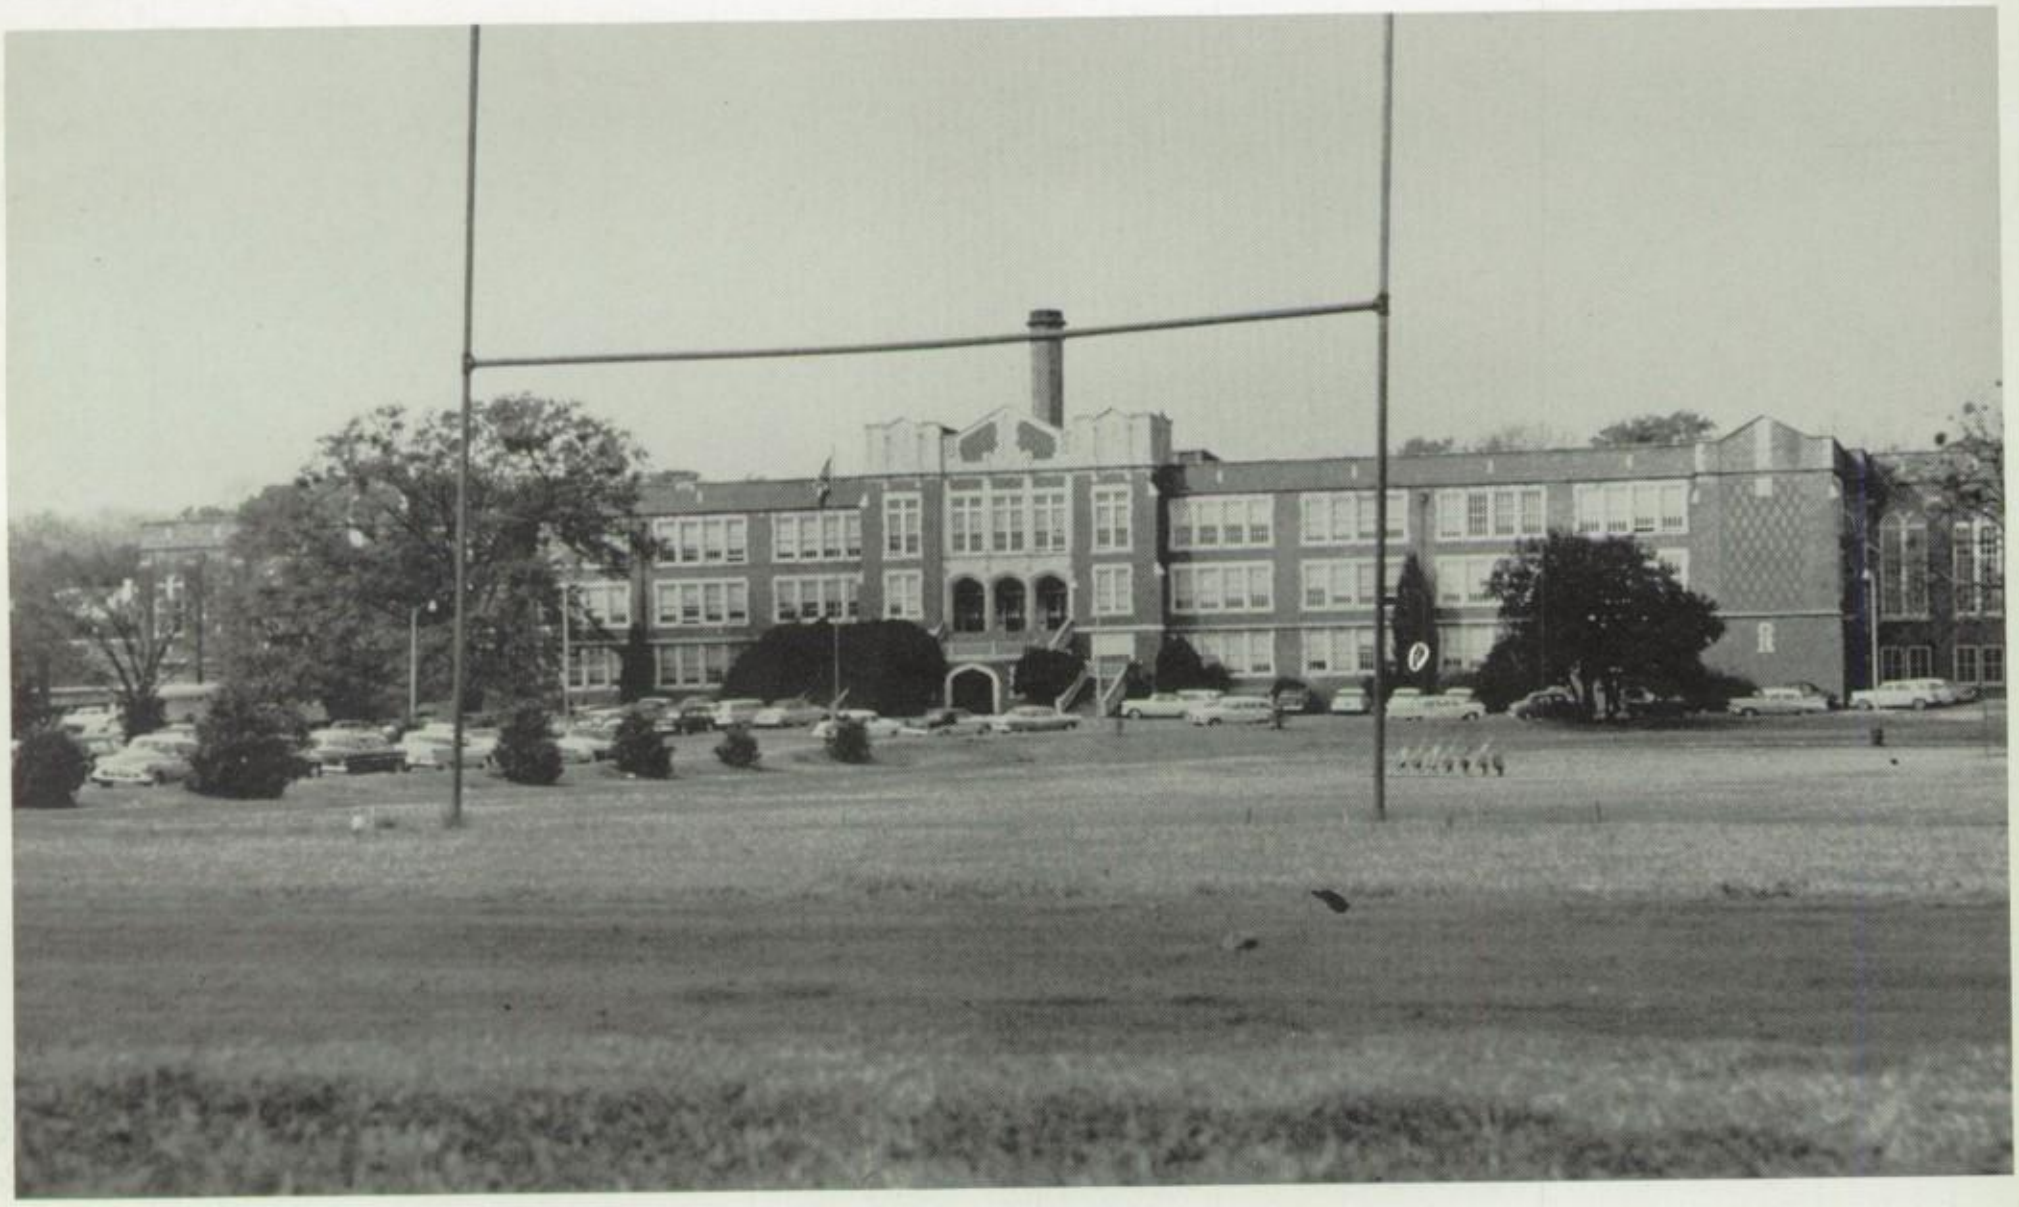
Our Alma Mater glorious stands
By old Savannah's turbid stream.
Upreared by loyal hearts and hands,
Fulfillment of her children's dream.
Her noble sons adown the years
Have proved their courage, conquered fears.
On fields of glory, honor, tears,
Inspired by Alma Mater.

ERIC HARDY

Richmond Color Song

Oh, our hearts with joy are thrilling
When the Richmond colors wave.
And our spirits rise with rapture
When the Richmond sons are brave.
Fight for victory! Fight for honor!
And success will be foretold.
All hail the proud defenders of
The Purple and the Gold.

—FRANK E. LAMBERT



DEDICATION

To MR. G. L. BOLTON,
Math Instructor

In an age which puts emphasis upon the higher forms of math there is an ever increasing demand for teachers who possess a wealth of knowledge in this field and the ability to convey this knowledge to their students.

Mr. Bolton has not only given the students the fundamentals of his science but shown them the challenge that learning presents.

To this outstanding teacher this edition of THE RAINBOW has been dedicated with a desire to honor him who through the years has so graciously given of himself to the school and to its young people.

Administration

TO THE STUDENTS OF THE ACADEMY OF RICHMOND COUNTY

First, I wish to congratulate the 1959-1960 graduating class of Richmond. You have achieved the goal of earning your high school diploma. I hope that you will not stop at this point, but go on to higher goals and noble heights of achievement. You are confronted with a great challenge and a great demand. Our Nation needs dedicated men and women, trained and educated to take their rightful places of leadership in the world.

To those of you who are yet to complete your high school education, my earnest plea is that you remain in school until you do graduate. Plan your course of study with care, and in your planning set for yourselves goals which will demand the best in you.

Finally, may I wish for each of you a full measure of happiness and success in the days to come.

The snow and the orange-colored steel in the new gym were typical of the quietness of tradition and the appeal of the new. Sophomores can enjoy the use of the new gym for two years.

12th Military Ball

The Queen and Her Court at the Military Ball, 1959: Queen, Jane Jenkins; Court, Anna Clontz, Brenda Johnson, Carole Nave, Jane Wilson, Cathy Davison, Dorothy Wright, Judy Trulock, Sally Broome, and Julie Kleeb.

Col. Frank Stafford, escorting Miss Jenkins. Officers visible on the left are Wade Mallard and Vance Perrine. On the right, Bruce Nottingham.

The Fitz Sabre Arch

The new Honorary Cadet Colonel, Jane Jenkins, and the Cadet Colonel Frank Stafford. Soon the colors of the R. O. T. C. would be in Miss Jenkins' keeping. Another year has passed, and as we go to press another "Top Ten" are seeking an opportunity to be the 1960 Honorary Cadet Colonel.

AWARDS

1959

Most of the military awards were presented on the night of PRIZE DRILL. Among the most coveted awards are the four sabres given by organizations and as memorials: the Sheridan Sabre, the V. F. W. Sabre, the American Legion Sabre, and the Scruggs Sabre, the last being presented earlier in the year.

Col. Frank Stafford is congratulated by Miss Jenkins for winning the cherished Sheridan Sabre, awarded by the Reserve Officers' Association in memory of R. B. Sheridan, a student who became a tradition.

The V. F. W. Sabre presentation to Major Glenn Miller, with Anna Clontz looking on. Mr. William E. Vann making the award for the Orlin K. Fletcher Post 3200.

The American Legion Sabre presentation to Capt. Jack Kerr, with escort, Julia Reese. Mr. Russell, representative of the Legion.

Capt. Bruce Nottingham was awarded the Scruggs Memorial Sabre by Mr. Chester A. Scruggs. This Sabre is awarded each year in memory of Bland Scruggs.

Looking forward
The beginning of a new year at Richmond

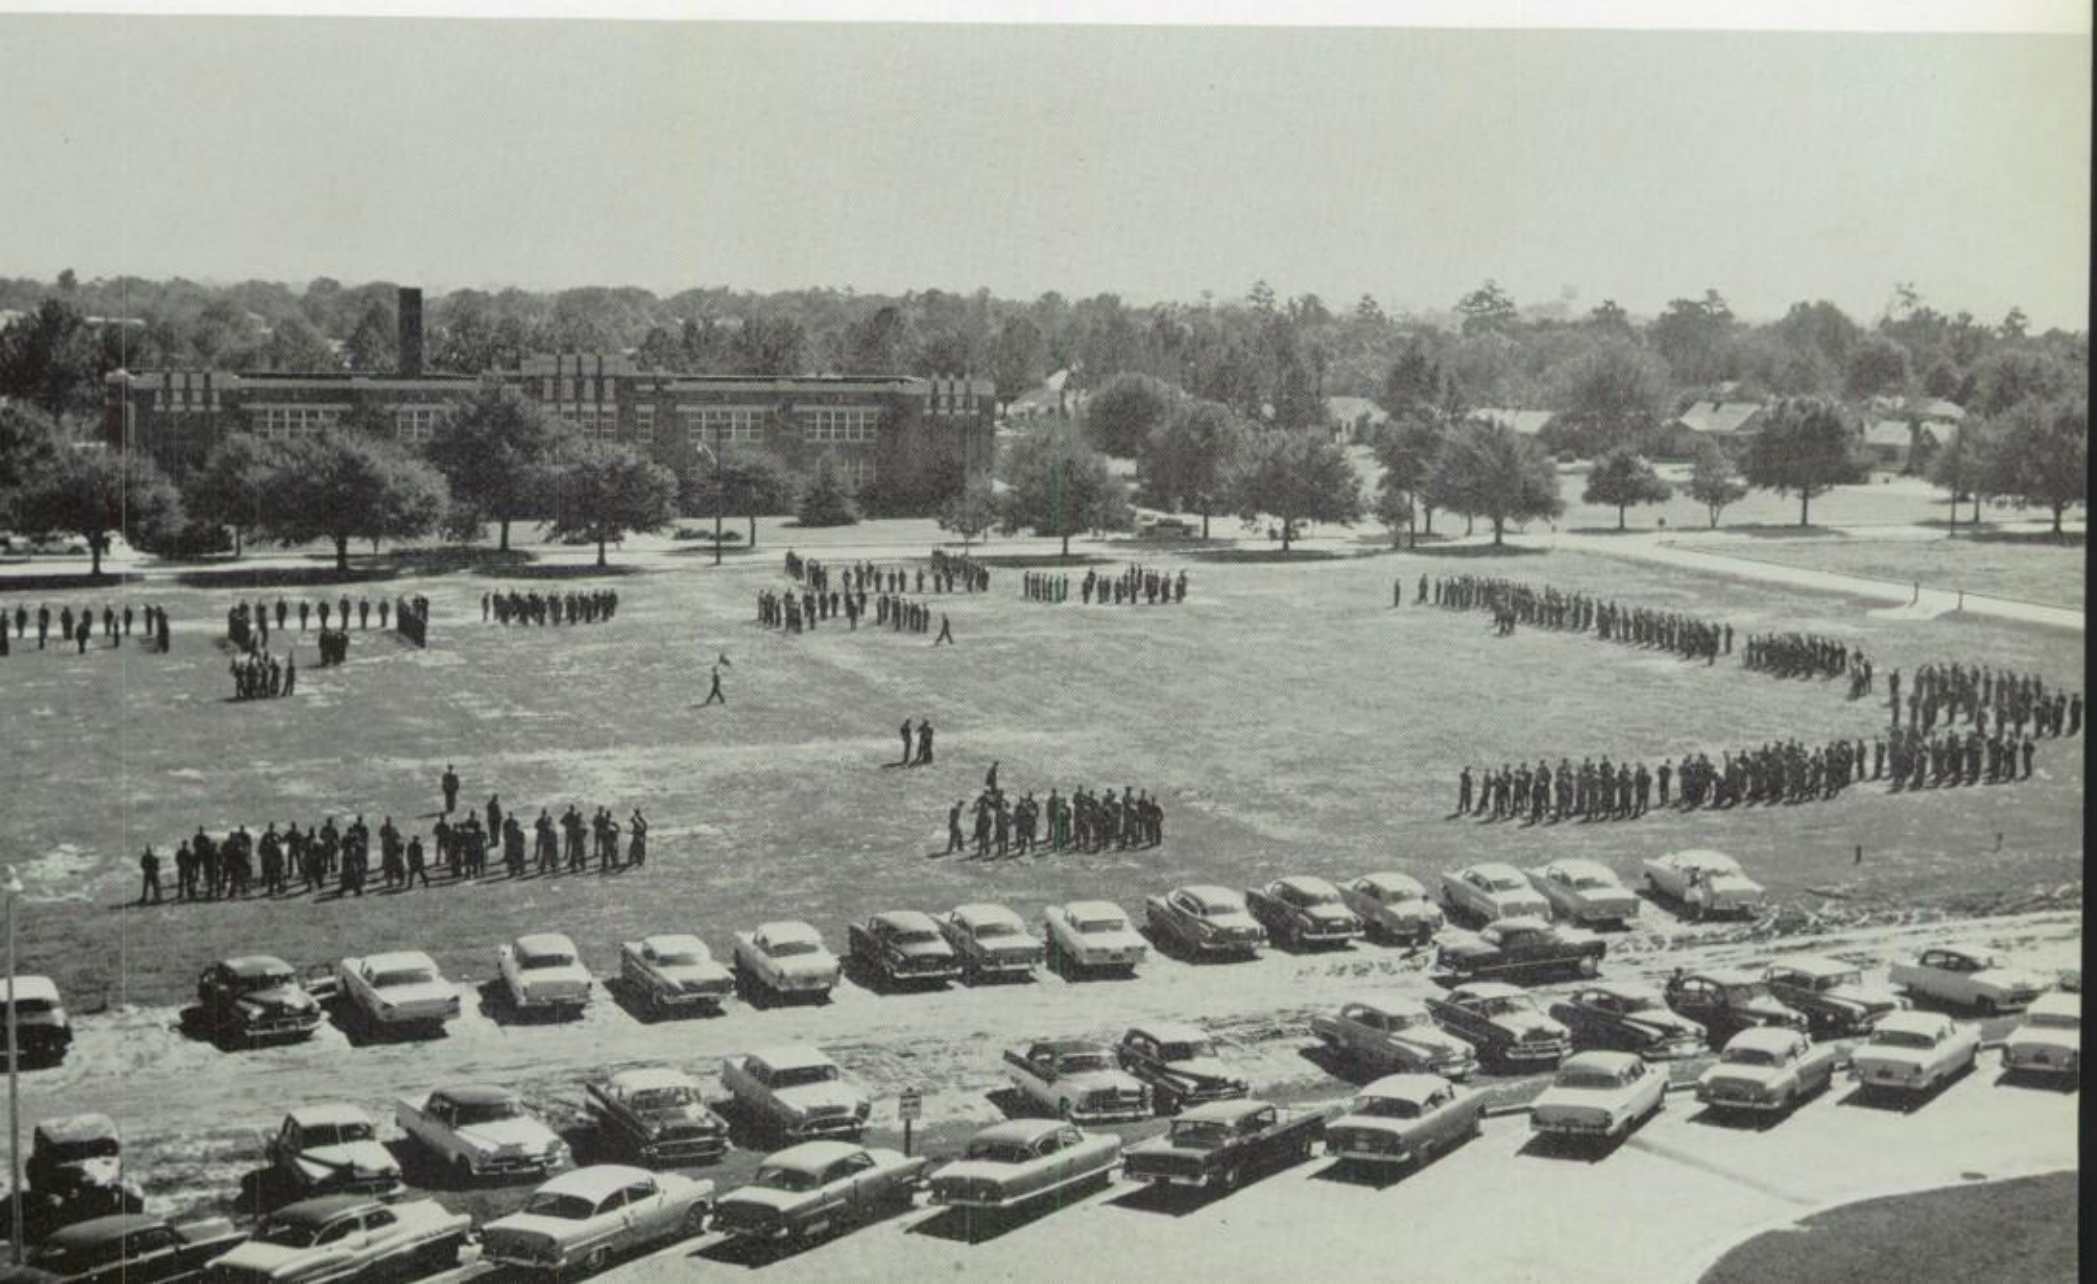
The R. O. T. C. must like to look forward to the Military Ball too! At least, they had a ball, and we had a ball, when they put on a lively skit in chapel for us at the beginning of the season. The Sabre Club "played the music."

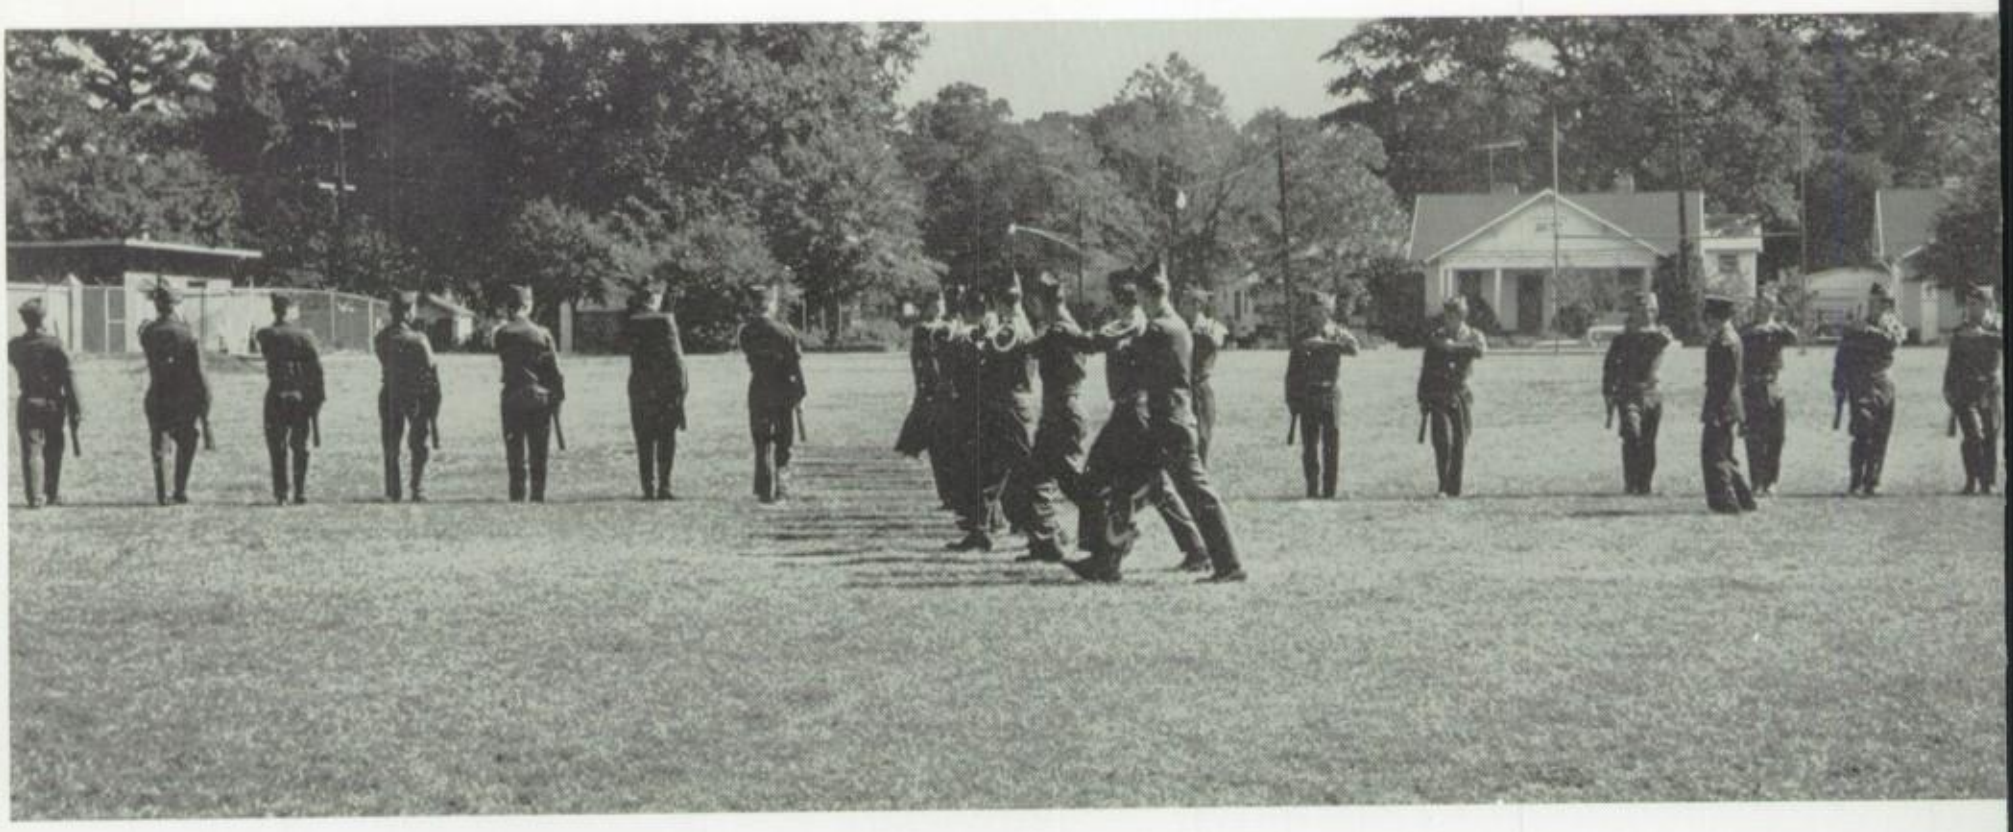
They buckled down to business in a hurry. The young men looked handsome the day the Corps received the Colors from Miss Jane Jenkins, and Capt. Robert C. Williams, the new head of the Corps, seemed pleased with his new unit.

But it all meant MORE **Drill**

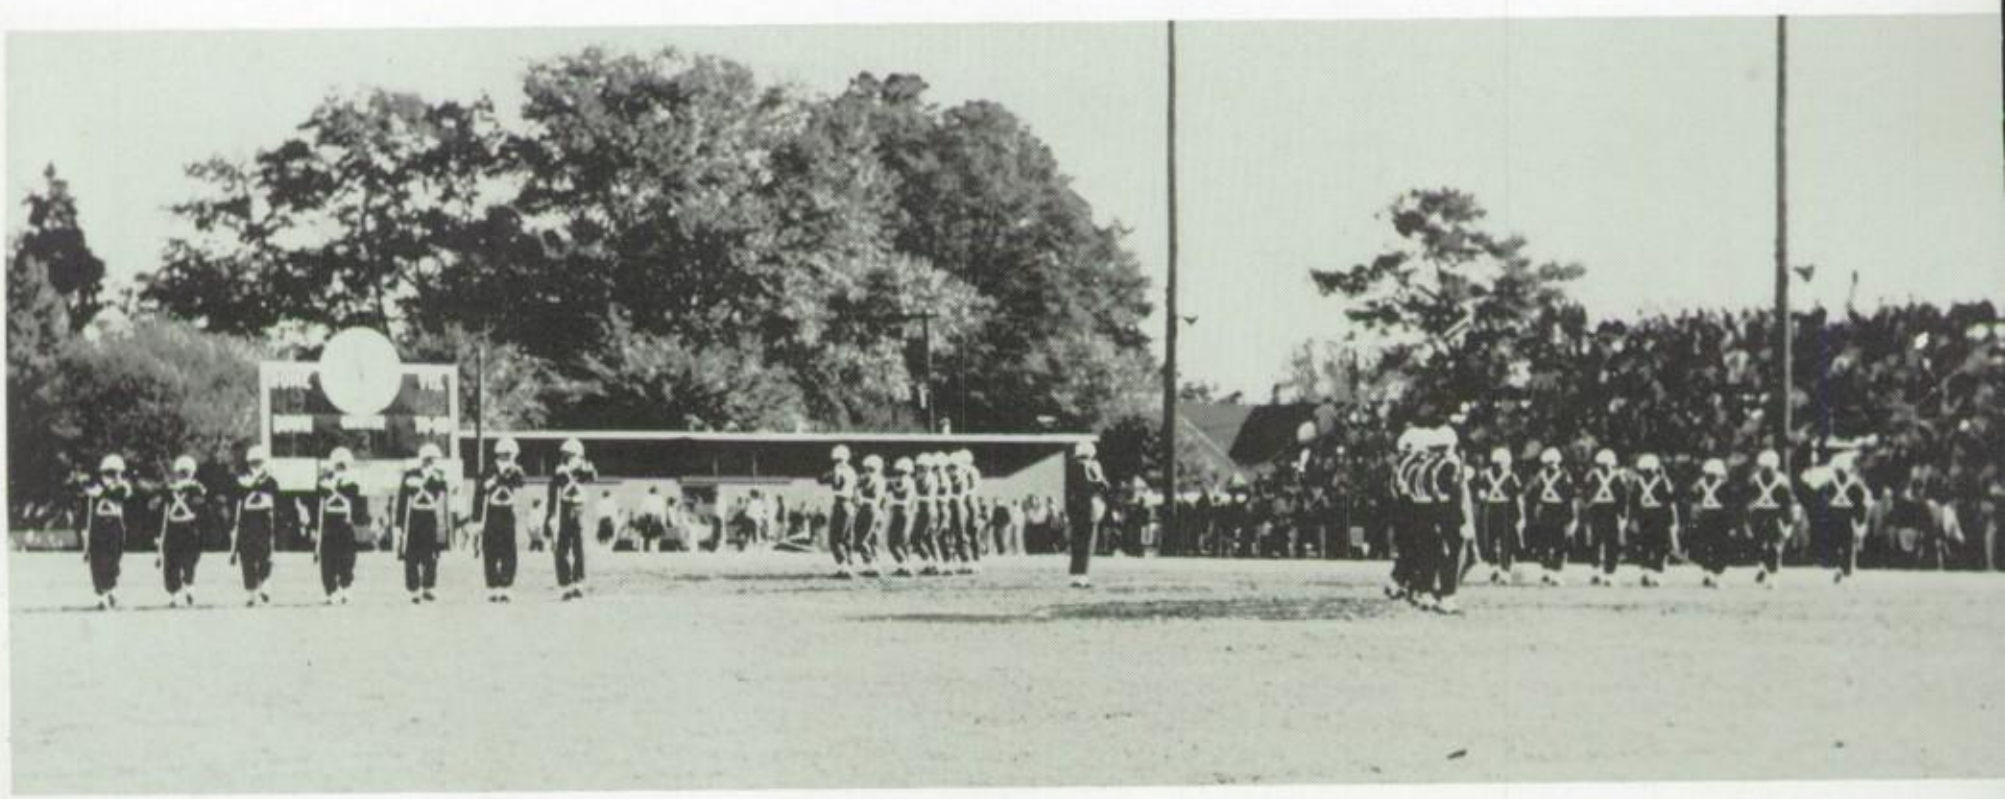
Drill for rhythm, balance, precision. Drill for the time of visits made periodically from Headquarters. Chance visits, planned inspections. High ranking officials came early this year.

MORE DRILL . . .

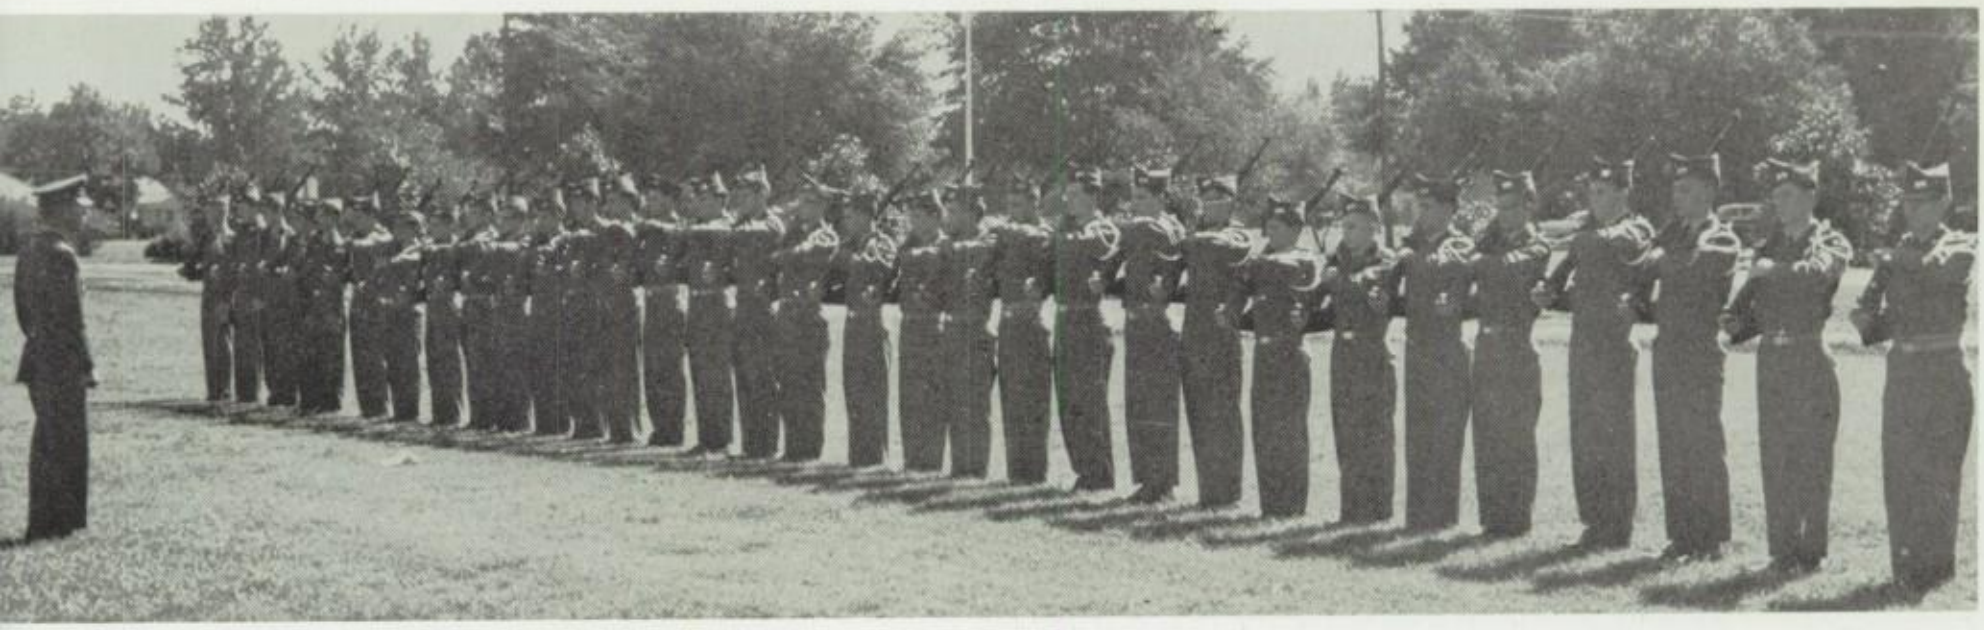




. . . Drill . . .

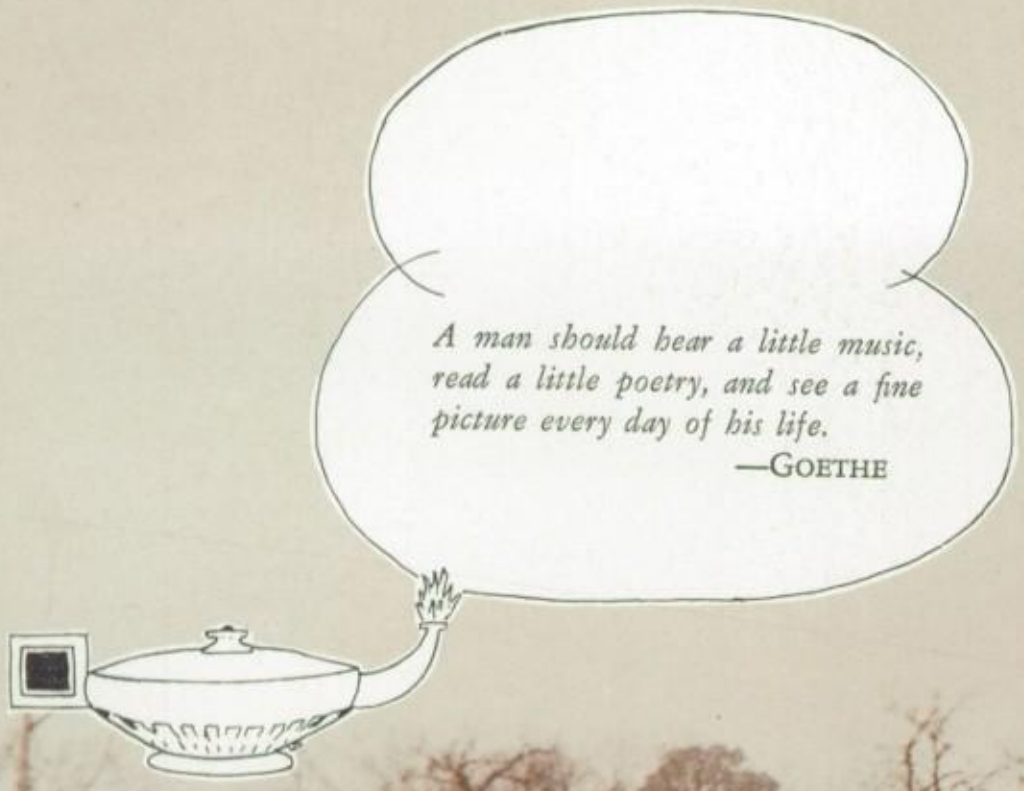


. . . DRILL . . .



. . . On into the afternoon sun, if necessary . . . .

For PRECISION . . .



A man should hear a little music, read a little poetry, and see a fine picture every day of his life.

Daytona Trip

A short, short trip to Daytona was the highlight of our band activities for last year. On June 5, we left early in the morning for Daytona. On the way we stopped at Marineland. With Daytona Plaza as our headquarters, we began our stay with a sight-seeing tour. On June 6 we played a concert in the Band Shell. We returned home, arriving in Augusta Sunday evening, June 7.

For this trip members of the band sold Mason candies. The profits of our spring concert were also used for this trip. Since only superior bands are invited to play in Daytona, we felt greatly honored. We were also invited to play in the Rose Bowl Parade in Pasadena, California, but were unable to make the trip.

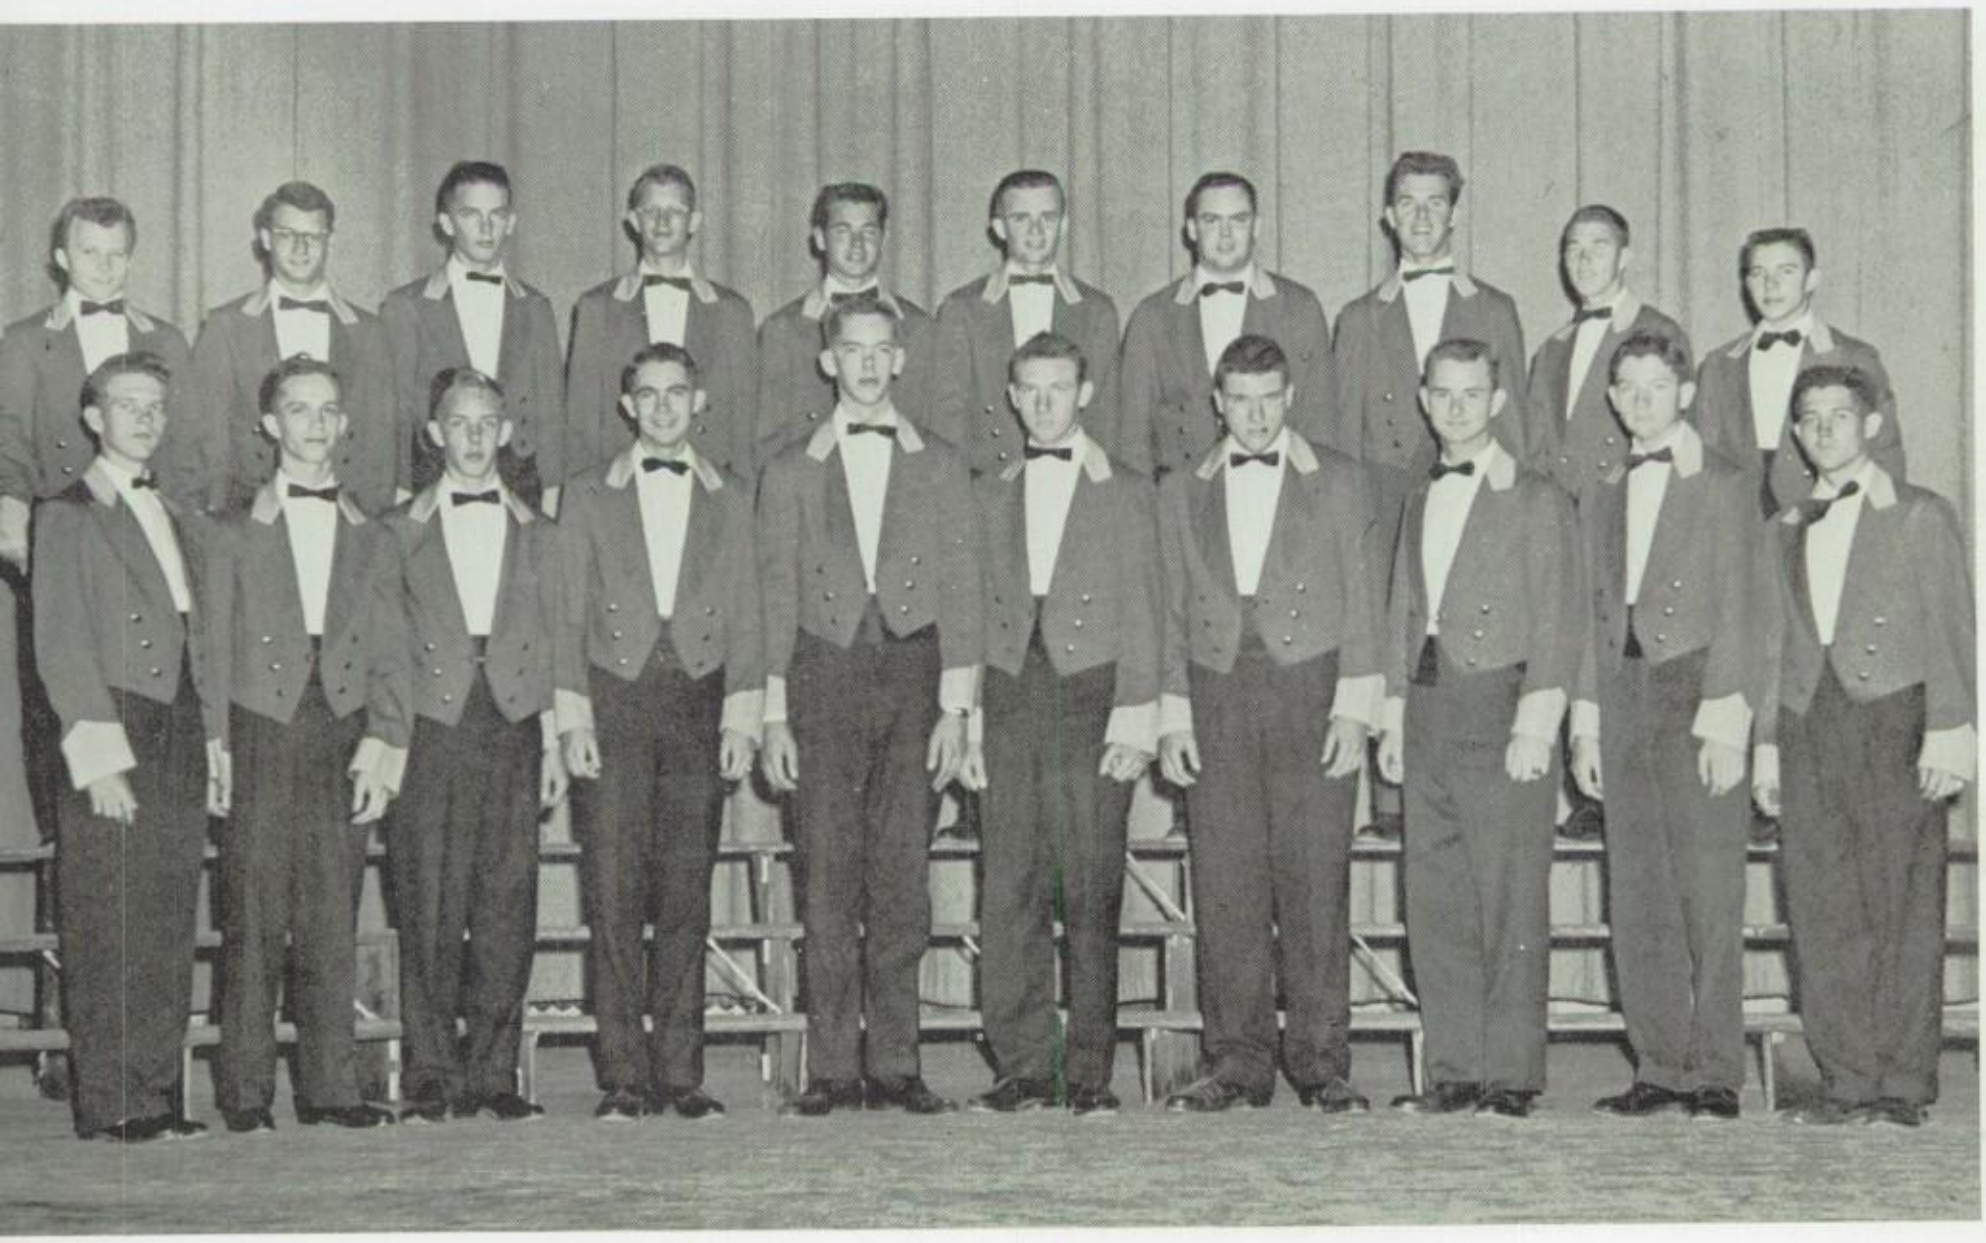
The Singing Musketeers

The school is grateful to these young men for their loyal interest in music and the support they give to the Arts at Richmond.



Drama

The Masqueteers are students who organize because of their enjoyment of participation in plays. Many of the members are also active in vocal music and in band. Their interest in these fields is significant of the fact that many young people at Richmond are eager for Fine Arts.

Practice: Anne Phillips, Mike McKenzie, Joan Harrell, Bea Chambe Doug Walton, Marion Gardner, Mrs. Rawson.

Poetry

From whence do we come, why are we here, and tell me—where do we go?

Life is a cycle, a mixed-up thing; yet, why does this have to be so?

We study and work; we try to be good. Inside there's a reason, we know!

The endless struggle of right against wrong; yet, why does this have to be so?

We pray and worship to find the right way mentally and physically to grow.

As long as we pray—does the real answer come? And why does this have to be so?

We know many people of all different types, some bad, yet some all aglow.

There is a clash of the mind and soul; yet, why does this have to be so?

It has to be so—the answer is plain, for we all know; and it's said

Without questions and answers to find, our minds become dull and soon dead.

There is something to search for—a goal to reach in our lives and with our loves too;

Without, we'd be nothing—less than obscure. We must always look for the true.

So don't disregard questions, the *why's* and the *where's;* look into the old and the new.

Find what you want, *study* it hard; then *back up* what you believe true!

Architecture

Mr. L. A. Fox, *Instructor*
Architectural and Mechanical Drawing

Architectural Drawing Department

Architectural drawing is the designing and drawing of buildings. These renderings of plans, elevations, sections, and detail drawings are called working drawings. These, along with the specifications for materials and finish, give the working information for the contracting and erecting of the building.

Students planning careers in architecture, engineering, or commercial art study architectural drawing in high school as an excellent foundation course in preparation for college drawing. Even though students at A.R.C. cover work similar to Freshmen drawing courses at the University of Georgia, college drawing can be quite difficult without a good foundation. Two years of mechanical drawing are needed as a pre-requisite for architectural drawing. It is evident then that architectural drawing, with few exceptions, is taken as a Senior course.

Architectural Drawing

Mechanical Drawing Department

Mechanical drawing is the sketching and drafting of structural and mechanical plans. These drawings, along with the specifications for materials, give the working information to the manufacturers and builders.

Mechanical drawing is taken by students planning careers as engineers, architects, and draftsmen. Drawing in junior high school gives the student a good start for mechanical drawing in high school.

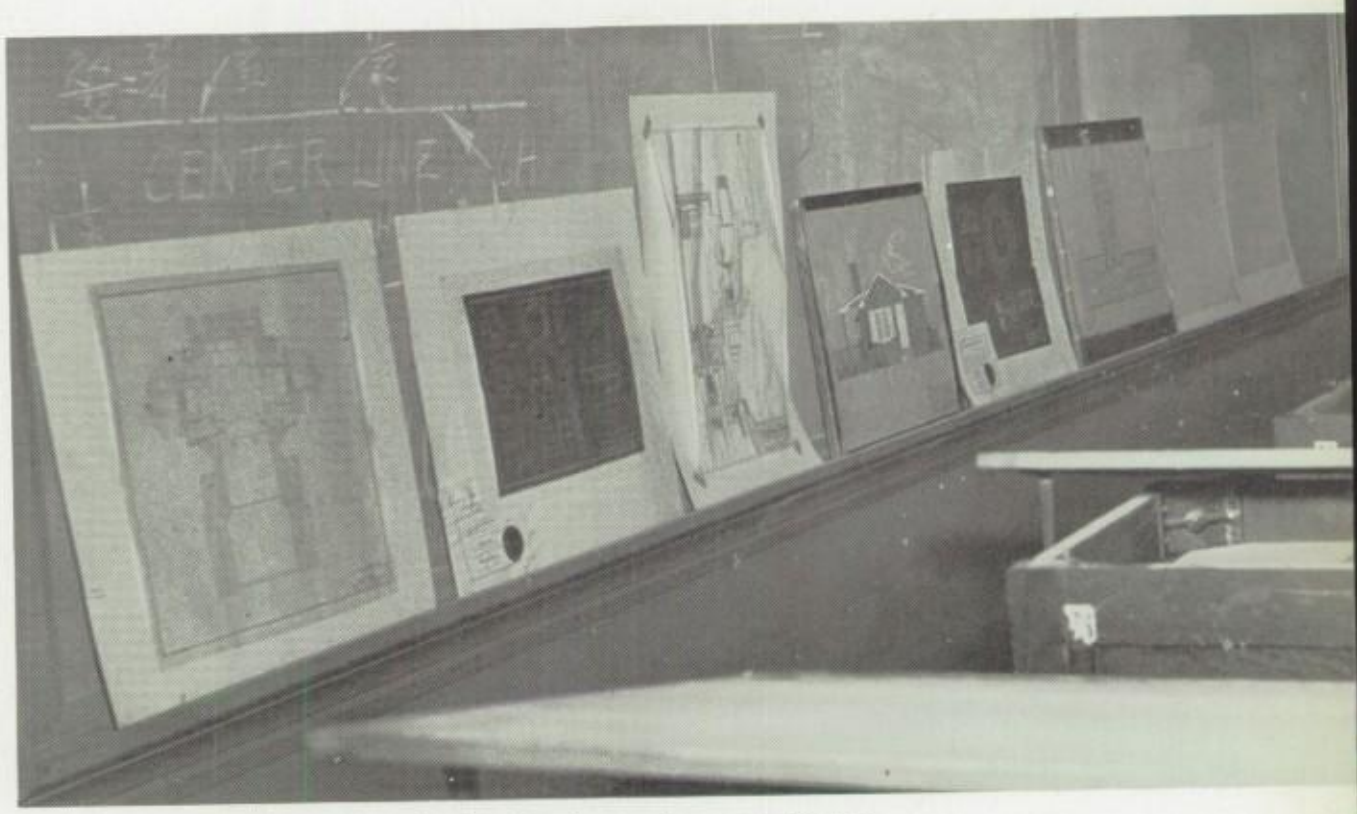
All materials are provided by the department, except drawing paper which is provided at low cost to the students.

A.R.C.'s drawing department is large and well-equipped in comparison to the departments in other high schools in the state. A.R.C. is fortunate in having a drawing department, since many schools do not offer mechanical drawing. The state does not aid such departments financially.

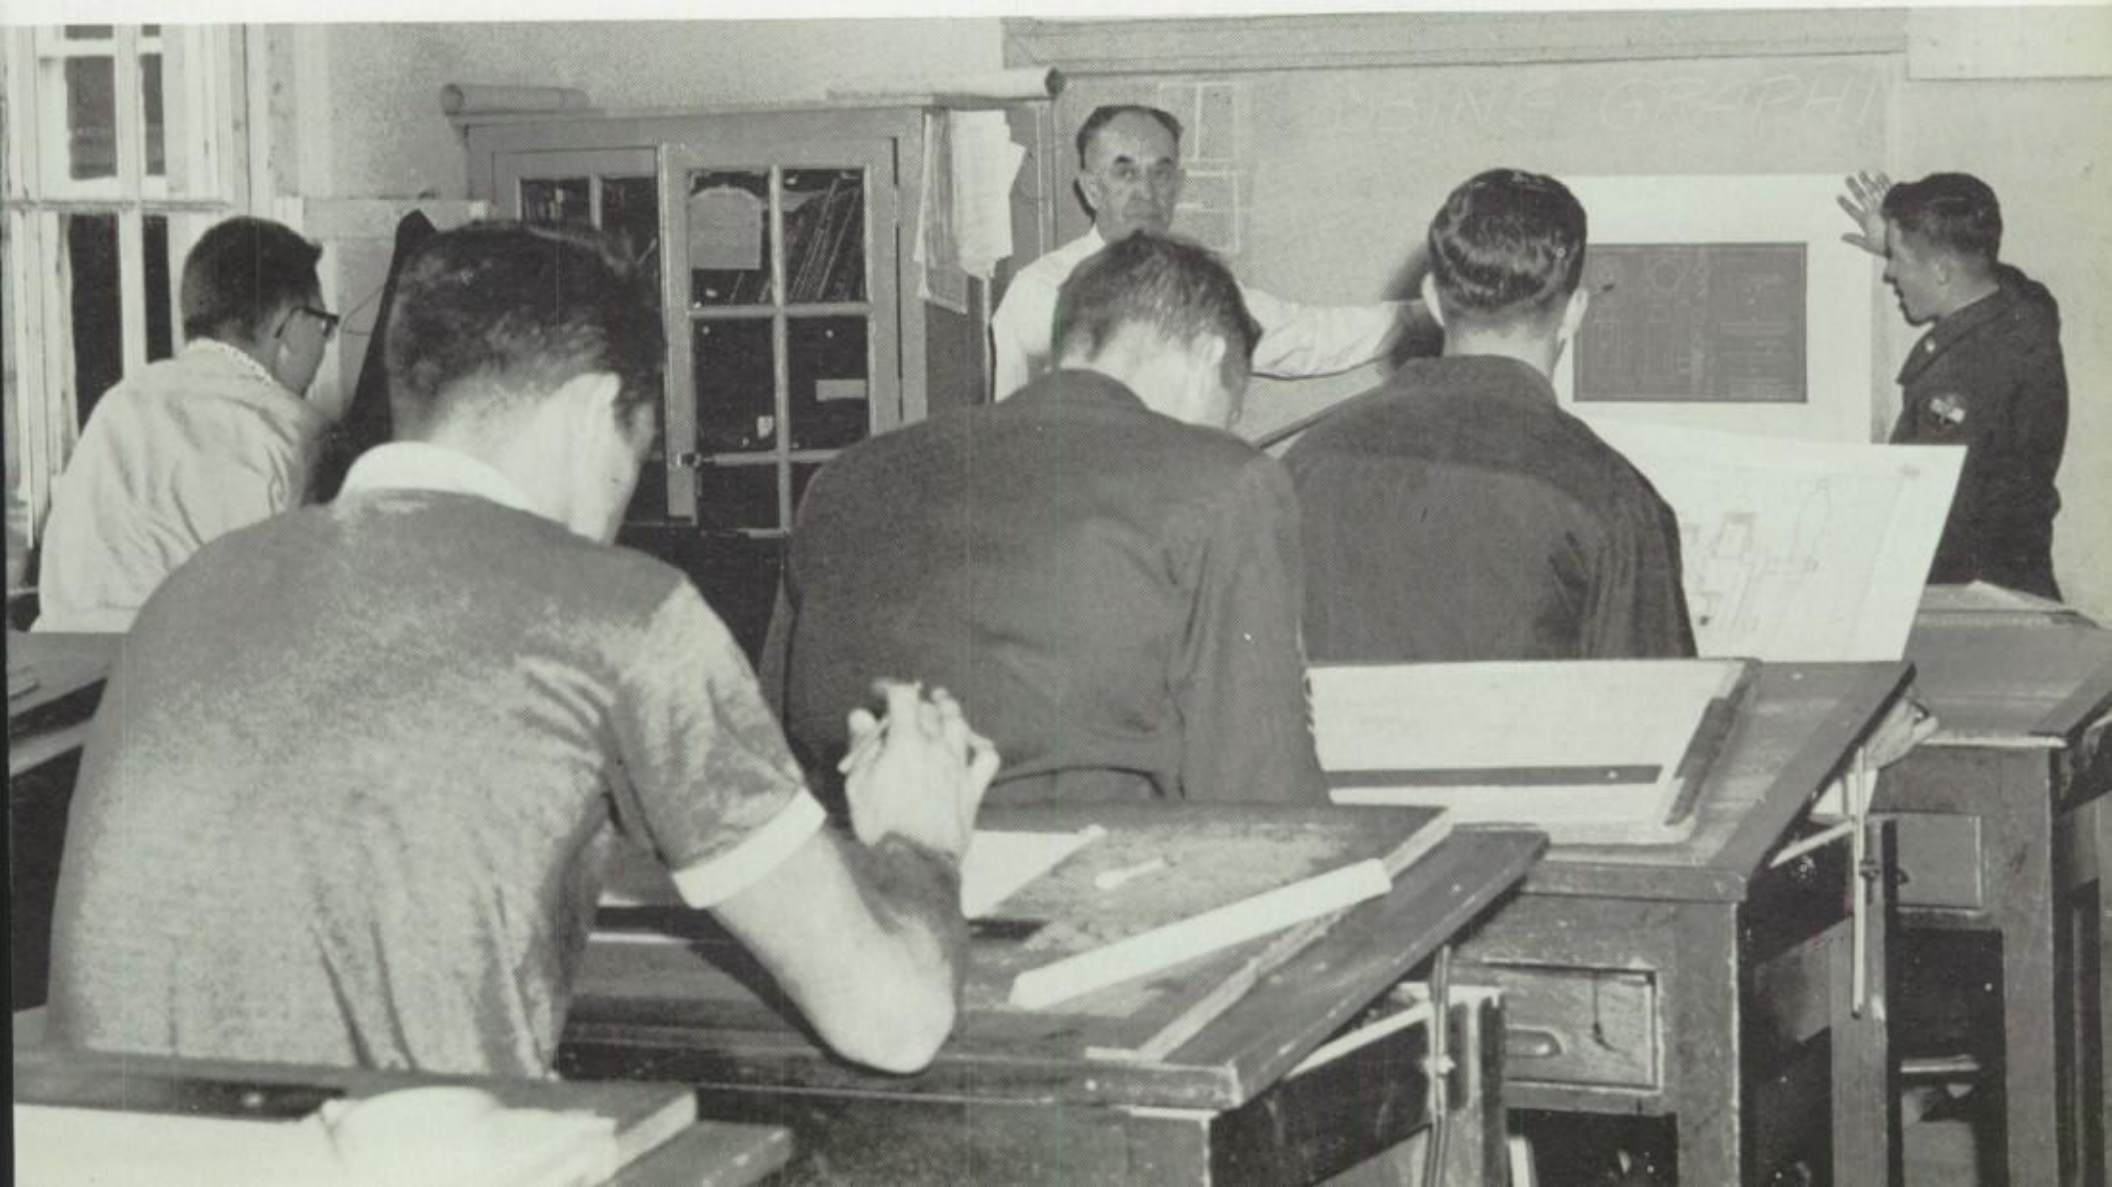
We are also fortunate in that we have Mr. Fox for our instructor, a competent and dedicated gentleman.

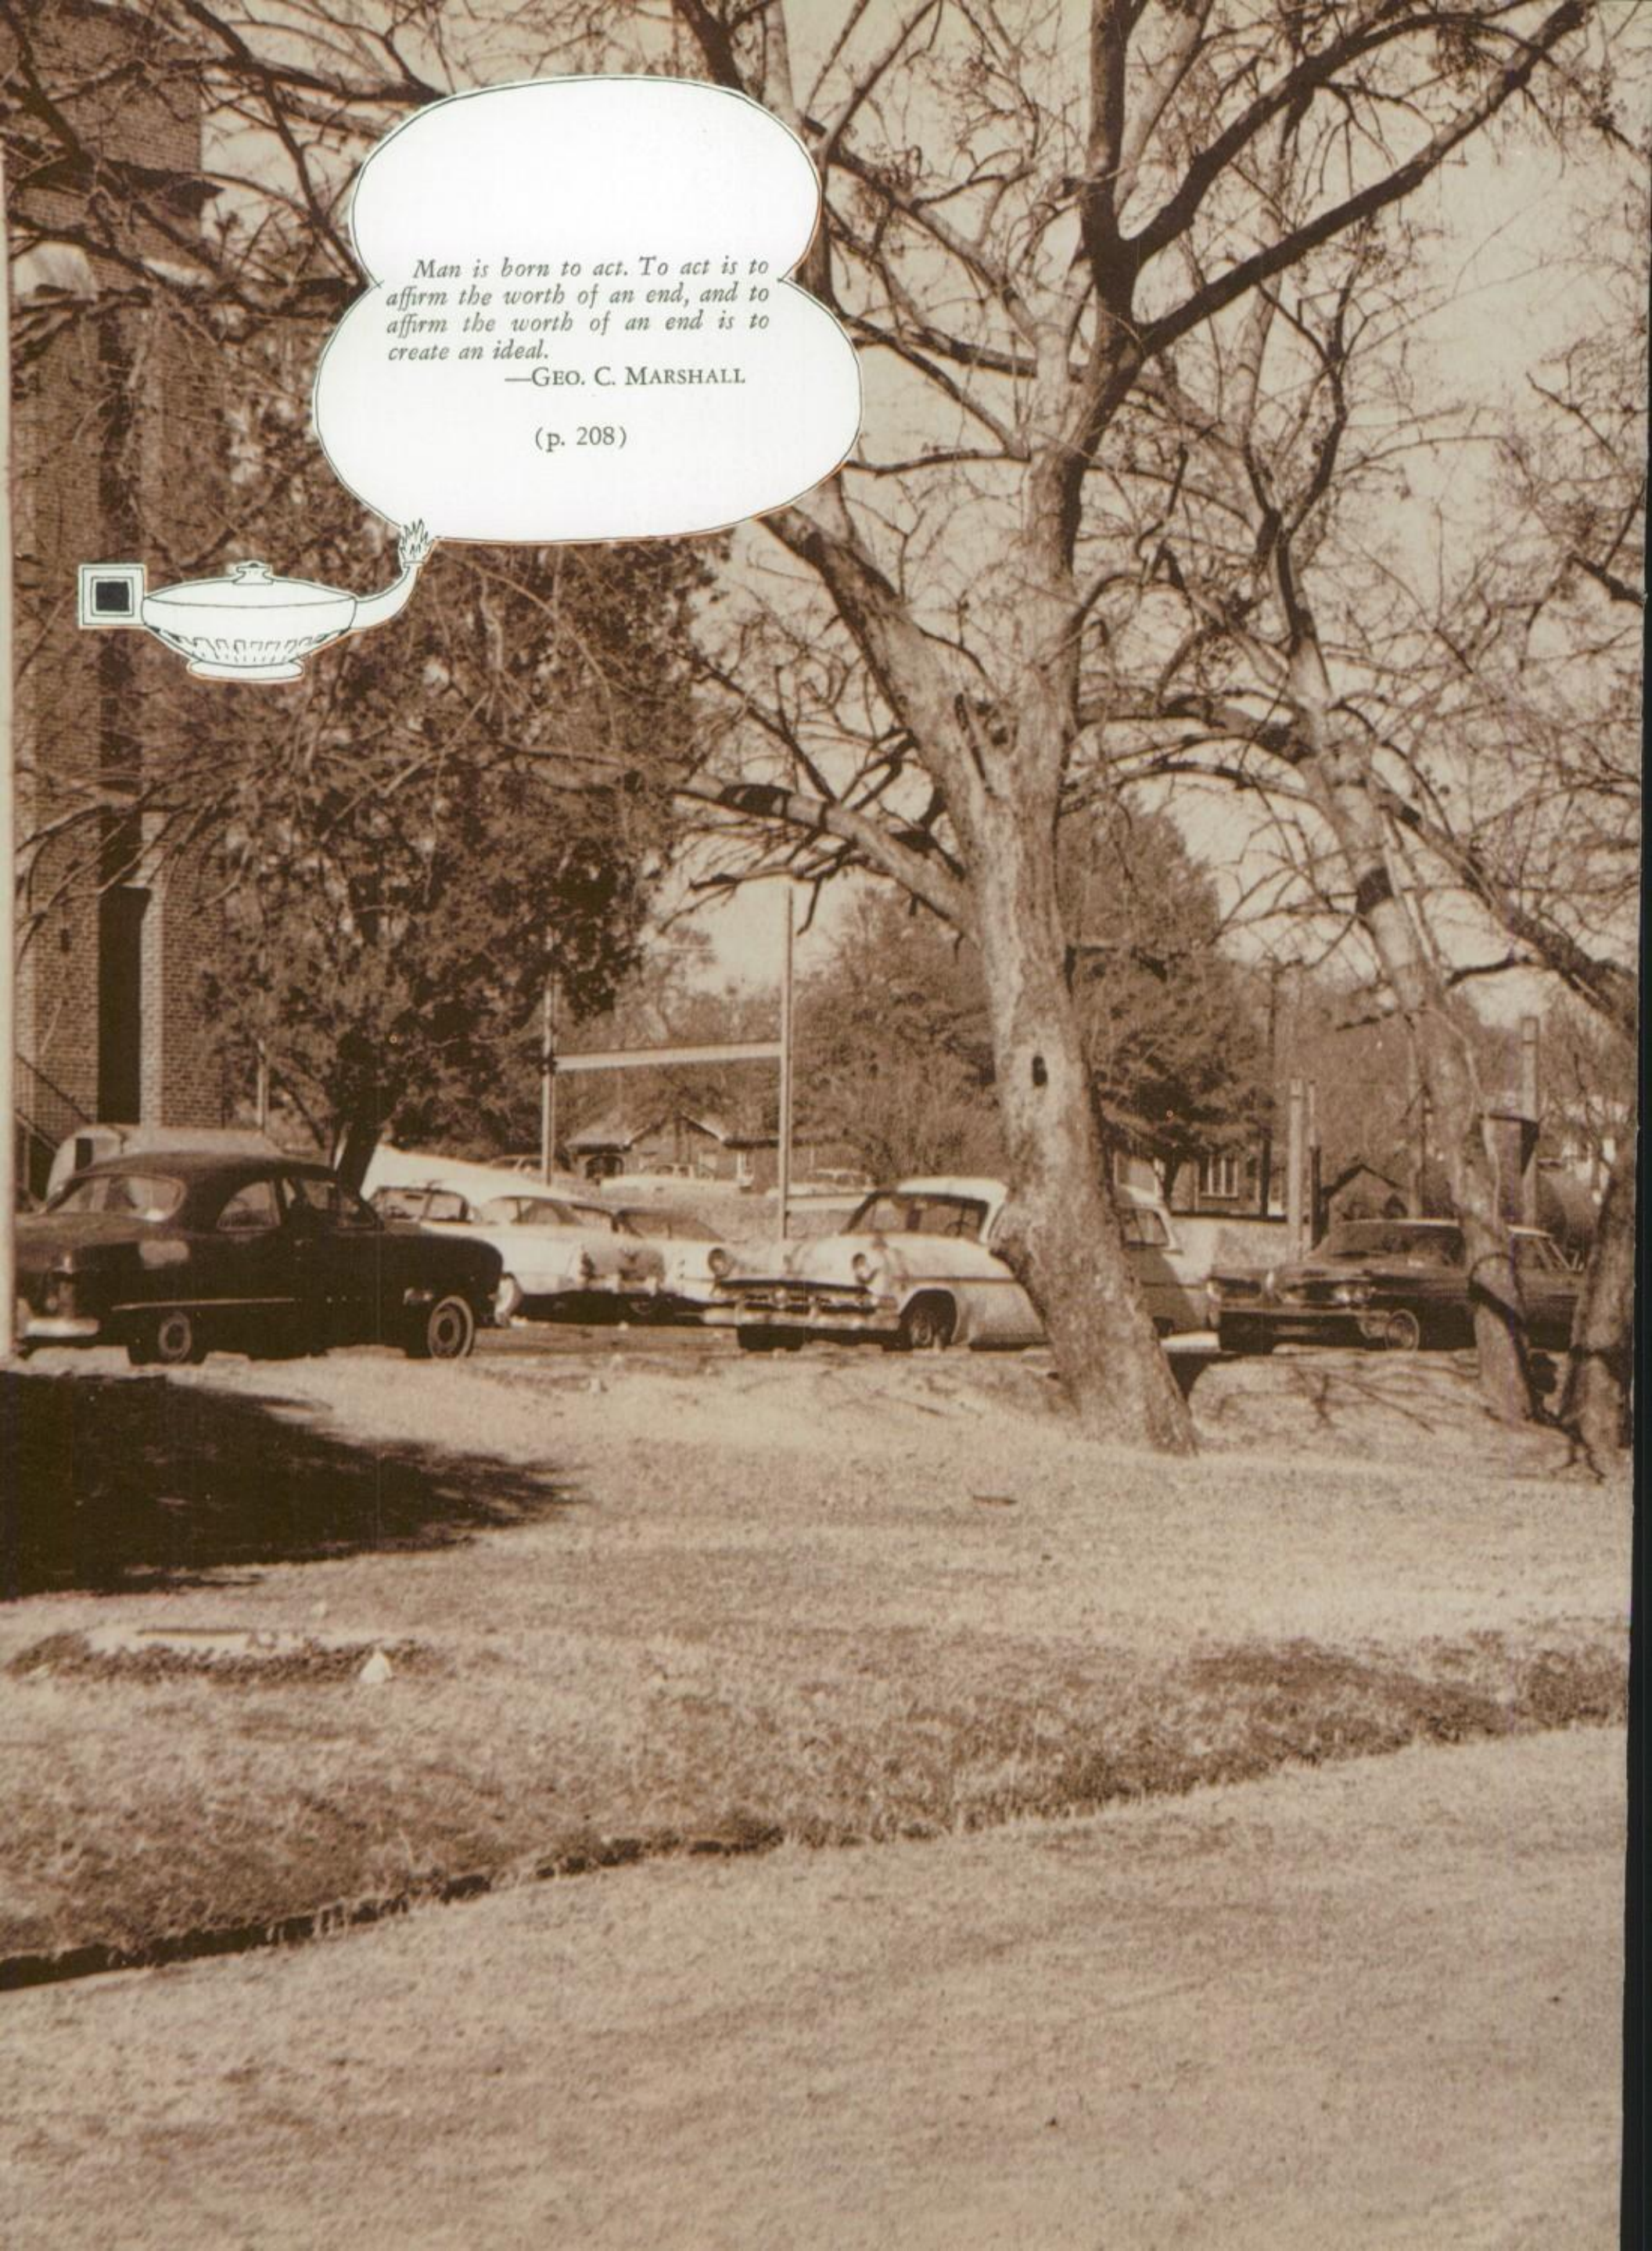
John Burks, Jr.

Personalized instruction in all department classes.



Student drawings on temporary display.





Man is born to act. To act is to affirm the worth of an end, and to affirm the worth of an end is to create an ideal.

Activities

Hi Y

OFFICERS: Walter Dozier, Secretary; Tommy Harden, Vice-President; Billy Agee, Sergeant-at-Arms; Don Owens, President. *Back row:* Bill Morton, Treasurer; Kenny Wright, Reporter; Reed Wakeley, Chaplain.

Sponsored by the YMCA, the Richmond Academy Hi-Y Club exists with the purpose of helping "to create, maintain, and extend throughout the school and community high standards of Christian character."

Activities:

Membership Drive party
Thanksgiving basket for needy family
Selling of donuts for World Service project
Christmas basket for needy family
Hi-Y and Tri-Hi-Y dance for World Service project
Presence of two members at the State Youth Legislature in Atlanta
Presentation of a bill at this Legislature

Mr. R. E. Gladin, *Sponsor*

Tri-Hi-Y

Tri-Hi-Y is a national organization affiliated with the YMCA. The purpose of the club is to "create, maintain, and extend, throughout the home, school, and community, high standards of Christian character." The main activities of the club include a community project and a school project each month. Because of the large number of girls joining at the beginning of the year, the club split into two groups, the Senior Tri-Hi-Y and the Junior-Sophomore Tri-Hi-Y.

Mrs. Ethyl Smith, *Sponsor*

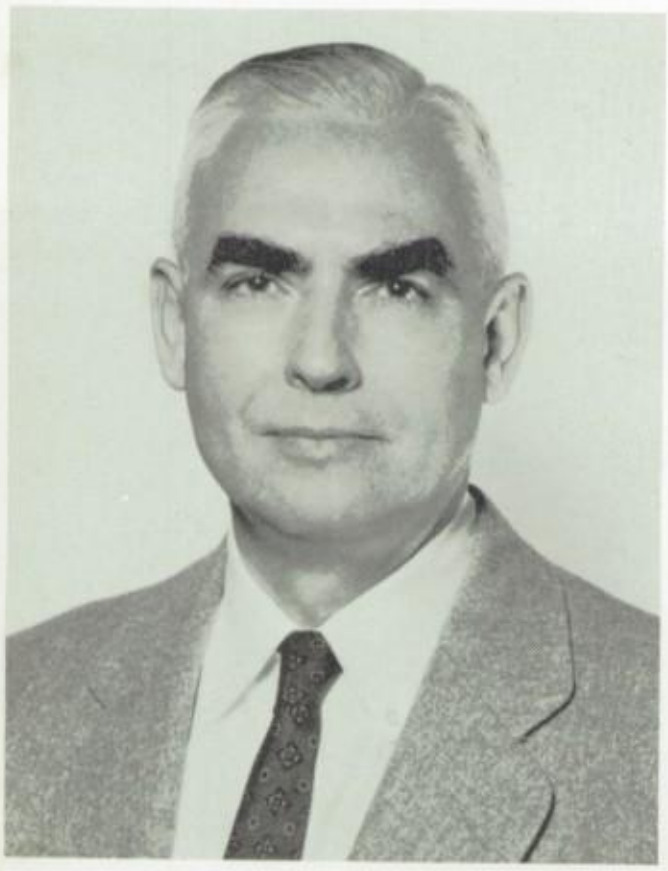
Senior officers: Kay Sawyer, Chaplain; Bea Kuhlke, Treasurer; Mary Major, Secretary; Emily Hitchcock, President; and Julie Kleeb, Vice-President.

Junior officers: Margaret Daniel, President; Elaine Lindsey, Vice-President; Mary Sanders, Secretary; Mary Manter, Treasurer; and Ginny Pinson, Chaplain.

The Musketeer

First Row: Carpie Brown, Janice Bennett, Brenda Bonner, Mr. Scott, Sandra Thrift, Shirley Utley, Pat Gardner. *Second Row:* Fred Playford, John Akeson, Gloria Richardson, Lenore Reese, Chris Antonopoulos, Maxine Solomon, Kenny Wright, Thomas Dill. *Third Row:* David Bateman, Jack Hazel, Doug Walton, John Gallagher, John Campbell, Pete Scott, and Jimmy Whitehead.

Mr. George M. Scott, *Faculty Advisor*



THE MUSKETEER, first published on April 2, 1928, is now a six-page paper published monthly for the students at Richmond. Press-type photographic equipment and a darkroom for developing pictures help the staff maintain a high standard in production. Many journalism students work on the paper, but staff membership is not confined to the journalism class. The staff includes Doug Walton, Editor-in-Chief; Fred Playford and Bill Rodenberg, Sports; Jack Hazel, Advertising Manager; David Bateman, Circulation Manager; John Akeson, Assistant Circulation Manager; Mr. George M. Scott, Advisor. Reporters and contributors include Regina Redd, Lenora Reese, Chris Antonopoulos, Carpie Brown, Pat Gardner, Shirley Utley, Janice Bennett, Brenda Bonner, Ronald Campbell, Thomas Dill, Johnny Gallagher, Jean-Ray Ogilvie, Maxine Solomon, Sandra Thrift, Rachel Willis, Jimmy Whitehead, Kenny Wright.

We appreciate the work necessary and the time taken to serve the student body so commendably.

Mr. Bill Fulcher, sponsor, beginning in January.

Key Clubs all over the country are sponsored by Kiwanis International, the Richmond club being sponsored by the Uptown Kiwanis Club of Augusta. The Key Club is a service organization that attempts through worthwhile projects to help the school and the community. The membership of the club is limited to ARC boys who maintain at least an 85 general average and show definite leadership ability.

Mr. James Pyle, sponsor until January.

Beta Club

The Beta Club is a National Honorary Society. Requirements for admission are outstanding achievement and good character. Each club sets up its own specific standards, as various schools have different grading systems. At Richmond a student is eligible if all his grades are above 90 in each full credit subject taken each year. One subject may drop below 90 if above 85.

The Creed of the Beta Club is this: "As a member of the Beta Club and as a citizen of my community, state, and nation, I believe in and shall strive to promote the principles of Honesty, Justice, Service, Cooperation, Humility, and Charity."

The Beta Club motto is: "Ducamus aliis serviendo"—"Let us lead by serving others."

Diversified Cooperative Training is a work-study program of vocational education in Georgia high schools.

D. C. T. is effective job training for high school students. It is a plan for training juniors and seniors of employable age in a variety of occupations by utilizing the business and industrial establishments of local community as training agencies, thereby enabling the school actually to use the community as a teaching laboratory.

Students divide their time between school and a part-time job, spending approximately half the regular day in each.

The school schedule is made up of a combination of subjects, those required for graduation and those related to job activities.

A large percentage of D. C. T. students continue their education and training through colleges and technical institutions.

The Richmond Distributive Education Club is affiliated with the Georgia Distributive Education Club and the national organization, The Distributive Education Clubs of America, known as D.E.C.A., Inc.

The purpose of the Distributive Education Club is to develop progressive leadership in the field of distribution and to encourage the use of high ethical standards in business.

These two organizations, D. E. and D. C. T., offer many practical benefits for students who wish to go early into the business world. Employees with such training background in high school have experienced much that will be of advantage to them in the world of business and of trade.

The Student Council helps to plan assemblies, improve school patriotism, and better the student-teacher relationships. Each homeroom is represented by one student who attends the council meetings throughout the year. In the fall the student body selects one boy and one girl to serve as co-presidents. The representatives choose the other officers.

Roland Saenz and Dorothy Wright have served us this year eagerly, efficiently, and enthusiastically.

ARC 0; Southwest DeKalb 3

In the opening game of their ten-game season, the Musketeers fell 3-0 to DeKalb on September 4. Though Richmond was favored to win, DeKalb scored a field goal, the only score in the game. ARC had possession of the ball for most of the game, but in the fourth quarter DeKalb took over the ball and seemed to hold it all that period.

ARC 20; North Augusta 0

The Richmond Musketeers were one of two teams that defeated the Yellow Jackets, who had a winning streak of 42 games. Brigham Woodward, Jimmy Whitehead, and Paul Volpitto scored the 20 points for Richmond. Brigham crossed the goal line early in the first quarter, and Jimmy kicked the PAT. N. A. fumbled and ARC recovered. Forrest Inglett ran the ball up to the 4-yard line. Woodward made the second trip across the goal line, and Whitehead added the PAT. Volpitto scored the third TD on an option play for a 53-yard run, and ARC won at 20-0.

ARC 48; Glynn 6

The Red Terrors had a good lesson in how to be terrorized on September 18 as they fell before ARC. Woodward had a TD in the first three minutes, but Glynn quickly grabbed its own TD. Grady Lucky took off in the second quarter for a 52-yard run for a TD. In the third quarter, Woodward made three TD's. Creed

taking advantage of Glynn's shock, scampered for a TD. Whitehead's PAT's meanwhile were also enlarging the score. Doug Jones made the final TD and Whitehead kicked the point.

ARC 21; Athens 0

Creed began the scoring with a TD, followed by Woodward. Whitehead added as usual the PAT's. Paul McNeal made a beautiful interception of a long pass and scampered across the goal line for ARC before Athens could recover from the loss of the pass. Whitehead wrapped up the score with his PAT.

ARC 46; Groves 0

When ARC clobbered Groves, Woodward was the star of the game with 24 points. Woodward and Meacham both made TD's in the first half, and Brigham collected two more in the third. Early in the fourth quarter, Groves had the ball but lost it on downs. Woodward and Volpitto charged the line, adding 12 points. Just before the whistle Theron Lane galloped across the goal line and made the final TD.

ARC 33; Coffee 0

Coffee, intending to break our record of keeping our opponent scoreless, pushed down to our two-yard line, but Woodward intercepted a pass and ran for a TD. After this feat, Volpitto carried a long punt across the TD and Woodward scored again. In the second quarter Woodward collected another. After a scoreless third, Doug Jones, on one of ARC's quick plays, crossed the goal line, and Whitehead wrapped up the game with his PAT.

ARC 8; Benedictine 0

Again our opponents were scoreless. Johnny Perrow, Buddy Robinson, and Brigham Woodward drove the ball near the goal line, and Talbert Creed pushed across for a TD. Whitehead booted the PAT. The remaining three quarters were without further scoring. This game was ranked as second most important to ARC with regard to chances in the 2-AAA Region.

ARC 36; Jenkins 6

The Homecoming Queen, Dorothy Wright, was crowned during the half time of this seventh straight victory for ARC. Jenkins made its only score on an ARC fumble. Woodward and Lucky each made two TD's. Meacham and Volpitto each collected a TD in the fourth to conclude a happy Homecoming.

ARC 20; Savannah 7

With ten bus-loads of ARC students, our team was supported to the utmost for this all-important game. Volpitto and Robinson came across with TD's in the first quarter. After a quick pass from Woodward, Meacham crossed the goal line. Savannah ralllied for one TD, but ARC already had it made.

ARC 40; Aquinas 0

Aquinas was the fifth team held scoreless by ARC. Wade Gray and Ronnie Corbitt helped set up and score the first TD as Buddy Robinson let the ball get loose in the end zone. Corbitt dropped on the ball, but it slipped from under him and Gray fell on it. Woodard scored early in the second quarter. Volpitto passed to Crouch for a TD, and Whitehead added the PAT. After another TD by Woodward and PAT by Whitehead, Doug Jones added a TD after a 54-yard run, and Whitehead made the score 33-0. Billy Wood passed 29 yards to Crouch whose TD with Whitehead's PAT made the final score 40-0. During the game, the announcer told the crowd that the score of the Savannah-Benedictine game had clinched the 2-AAA Region Championship for ARC.

ARC 7; Albany 14

Both teams scored in the first quarter. ARC's Woodward with his TD made his record of 108 points, and Whitehead's PAT was his 26th. Despite their loss in the playoffs, the Musketeers are the 1959 2-AAA Champs and we are proud of them.

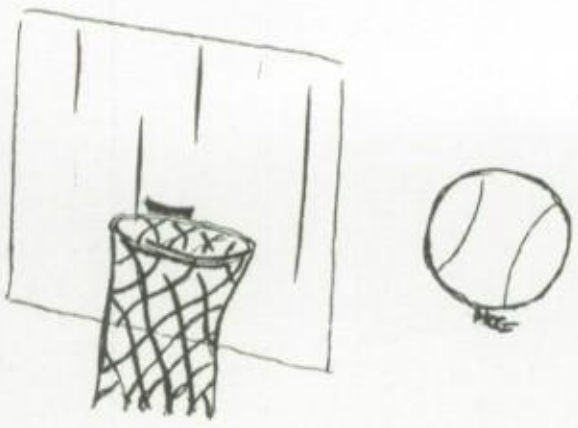
Homecoming

Fall Homecoming was high-lighted by a beauty contest with these young ladies participating: (*from the top*) Jane Wilson, Sandra Heath, Emily Hitchcock, Judy Trulock, Ann Walker, Sally Broome, Cathy Davison, and the one later chosen as queen, Dorothy Wright.

The Musketeers played Jenkins High and won 36-6. Among the many exhibits, the "guillotine" arranged by the Beta Club was chosen as the winner.

A Varsity Basketball



Coach N. W. Griffin

Though slow to kindle, our team through the season grew red hot and flared its way through the last of the season with good scoring. Only in the state tourney was its fire "banked" by Smyrna.

The football team lost in its first try in the state tournament; then the basketball team. The girls also had a chance at state honors, but were downed in their first tournament game. The school is proud of the teams and of the high quality of the players who represent Richmond. The players and the coaches should all be commended for a job well done.

At the Region finale Brigham Woodward received a trophy as the Most Valuable Player.

First row: Billy Wood, David Ray, Mike Murphey, Clyburn Davis, Eddie Freiberg. *Second row:* Coach Griffin, Brigham Woodward, Mike Mahon, Charles Knight, Huey Regan, Glenn Stewart (Captain).

During a game with Coffee County

In the State Tournament game with Campbell High of Smyrna, the scoring was tallied thus: David Ray (17), Brigham Woodward (16), Glenn Stewart (16), Charles Knight (5), Huey Regan (2), and Eddie Freiberg (2). We lost, but we at least were Region Champs.

Here and There

Our Versatile Varsity viggled with vim.

There was a mass exodus the day of the Savannah game.

Mr. Harry Jernigan, a prominent booster, and Mr. Inman.

Augusta and area friends sent to Band to Albany.

Our coach can depend on them.

Our Thanksgiving Day game brought a packed stadium and a wrapped up score.

Rockettes

Wanda Gilbert, Sandra Bryson, Joyce Magruder, Jeanie Perrow.

The ROCKETTES were organized this year with the help of both the band and the physical education department. The girls in purple velvet have added greatly to the rhythm and the attractiveness of our school days.

This excellent scoring record sent the girls to the state tournament. Again Richmond was represented only in the first game, for the girls lost. ARC is proud of their enthusiasm, however, and appreciates the fine record that these girls recorded for Richmond.

Manager Hope Andregg

Among the games whose scores are reported on page 166 of this book, you should know that Emily Hitchcock was out-scored only one time—the first Lincolnton game, when Linda Thornton scored 9 and Emily 6. Emily's other scores were 26, 12, 21, 19, 28, 20, 20, 16, 14, 30. The name that nearly always came next in scoring was Ellen Best.

Intramural Sports

In addition to the regular athletic program offered at Richmond, the Girls Athletic Association is active in sponsoring other activities. The Bowling Team practices at the new Masters Bowling Lane. The GAA held a Ping-Pong tournament which was conducted in February.

As for the boys, we do have a swimming team—one which competes with other organizations such as the YMHA. The fellows swim at the Y and at the OGH pool. Though unsponsored, they are an ARC team.

Miss Annette Miles, Miss Swain's Assistant

The Girls' Bowling Team

Among the extras sponsored by the GAA is ping-pong. The tournament was concluded in February with these girls the winners of the doubles finals: Phyllis Docuero, Emily Hitchcock, Rhonda Shapiro, and Jane Serotta.

Winners of the singles final were Linda Thornton and Jane Serotta.

Interest is high among the girls in GAA. It's fun to be a member and to play on the team. It's enlightening and enlivening.

More opportunity is needed for both boys and girls. Richmond used to have a regular swimming team. At present, we have a few interested boys who swim at the "Y" and at the OGH pool, but they are unsponsored as a team. A school of our size needs better support for a better balanced athletic program for boys and for girls. Our GAA has the spunk. Where do we place the spank?

ACKNOWLEDGMENTS AND THANKS

For the use of quotations:

(p. 136) THIS WEEK Magazine, February 1, 1948. The quotation occurs in "A Time to Act," by George C. Marshall. Special permission.

(pp. 6, 7, 152) LEAVES OF GOLD, Coslett Publishing Co. Special permission.

(p. 120) Tr. from Goethe.

(p. 184) Tr. from German by Longfellow in HYPERION.

(p. 200) Thought from GULLIVER'S TRAVELS by Swift.

For their help in judging our contests:

Our artist-scholar-friend who preferred to remain anonymous as judge of the poetry contest; and Mr. Keith Cowling, who judged our ART SHOW.

For picturesque backgrounds for pictures:

Mr. and Mrs. Sam Swint Home

Mr. and Mrs. Virgil Hollingsworth Home

Ronnie Corbitt and Bill Hankinson for Ronnie's boat.

For most of the Sports work: Fred Playford.

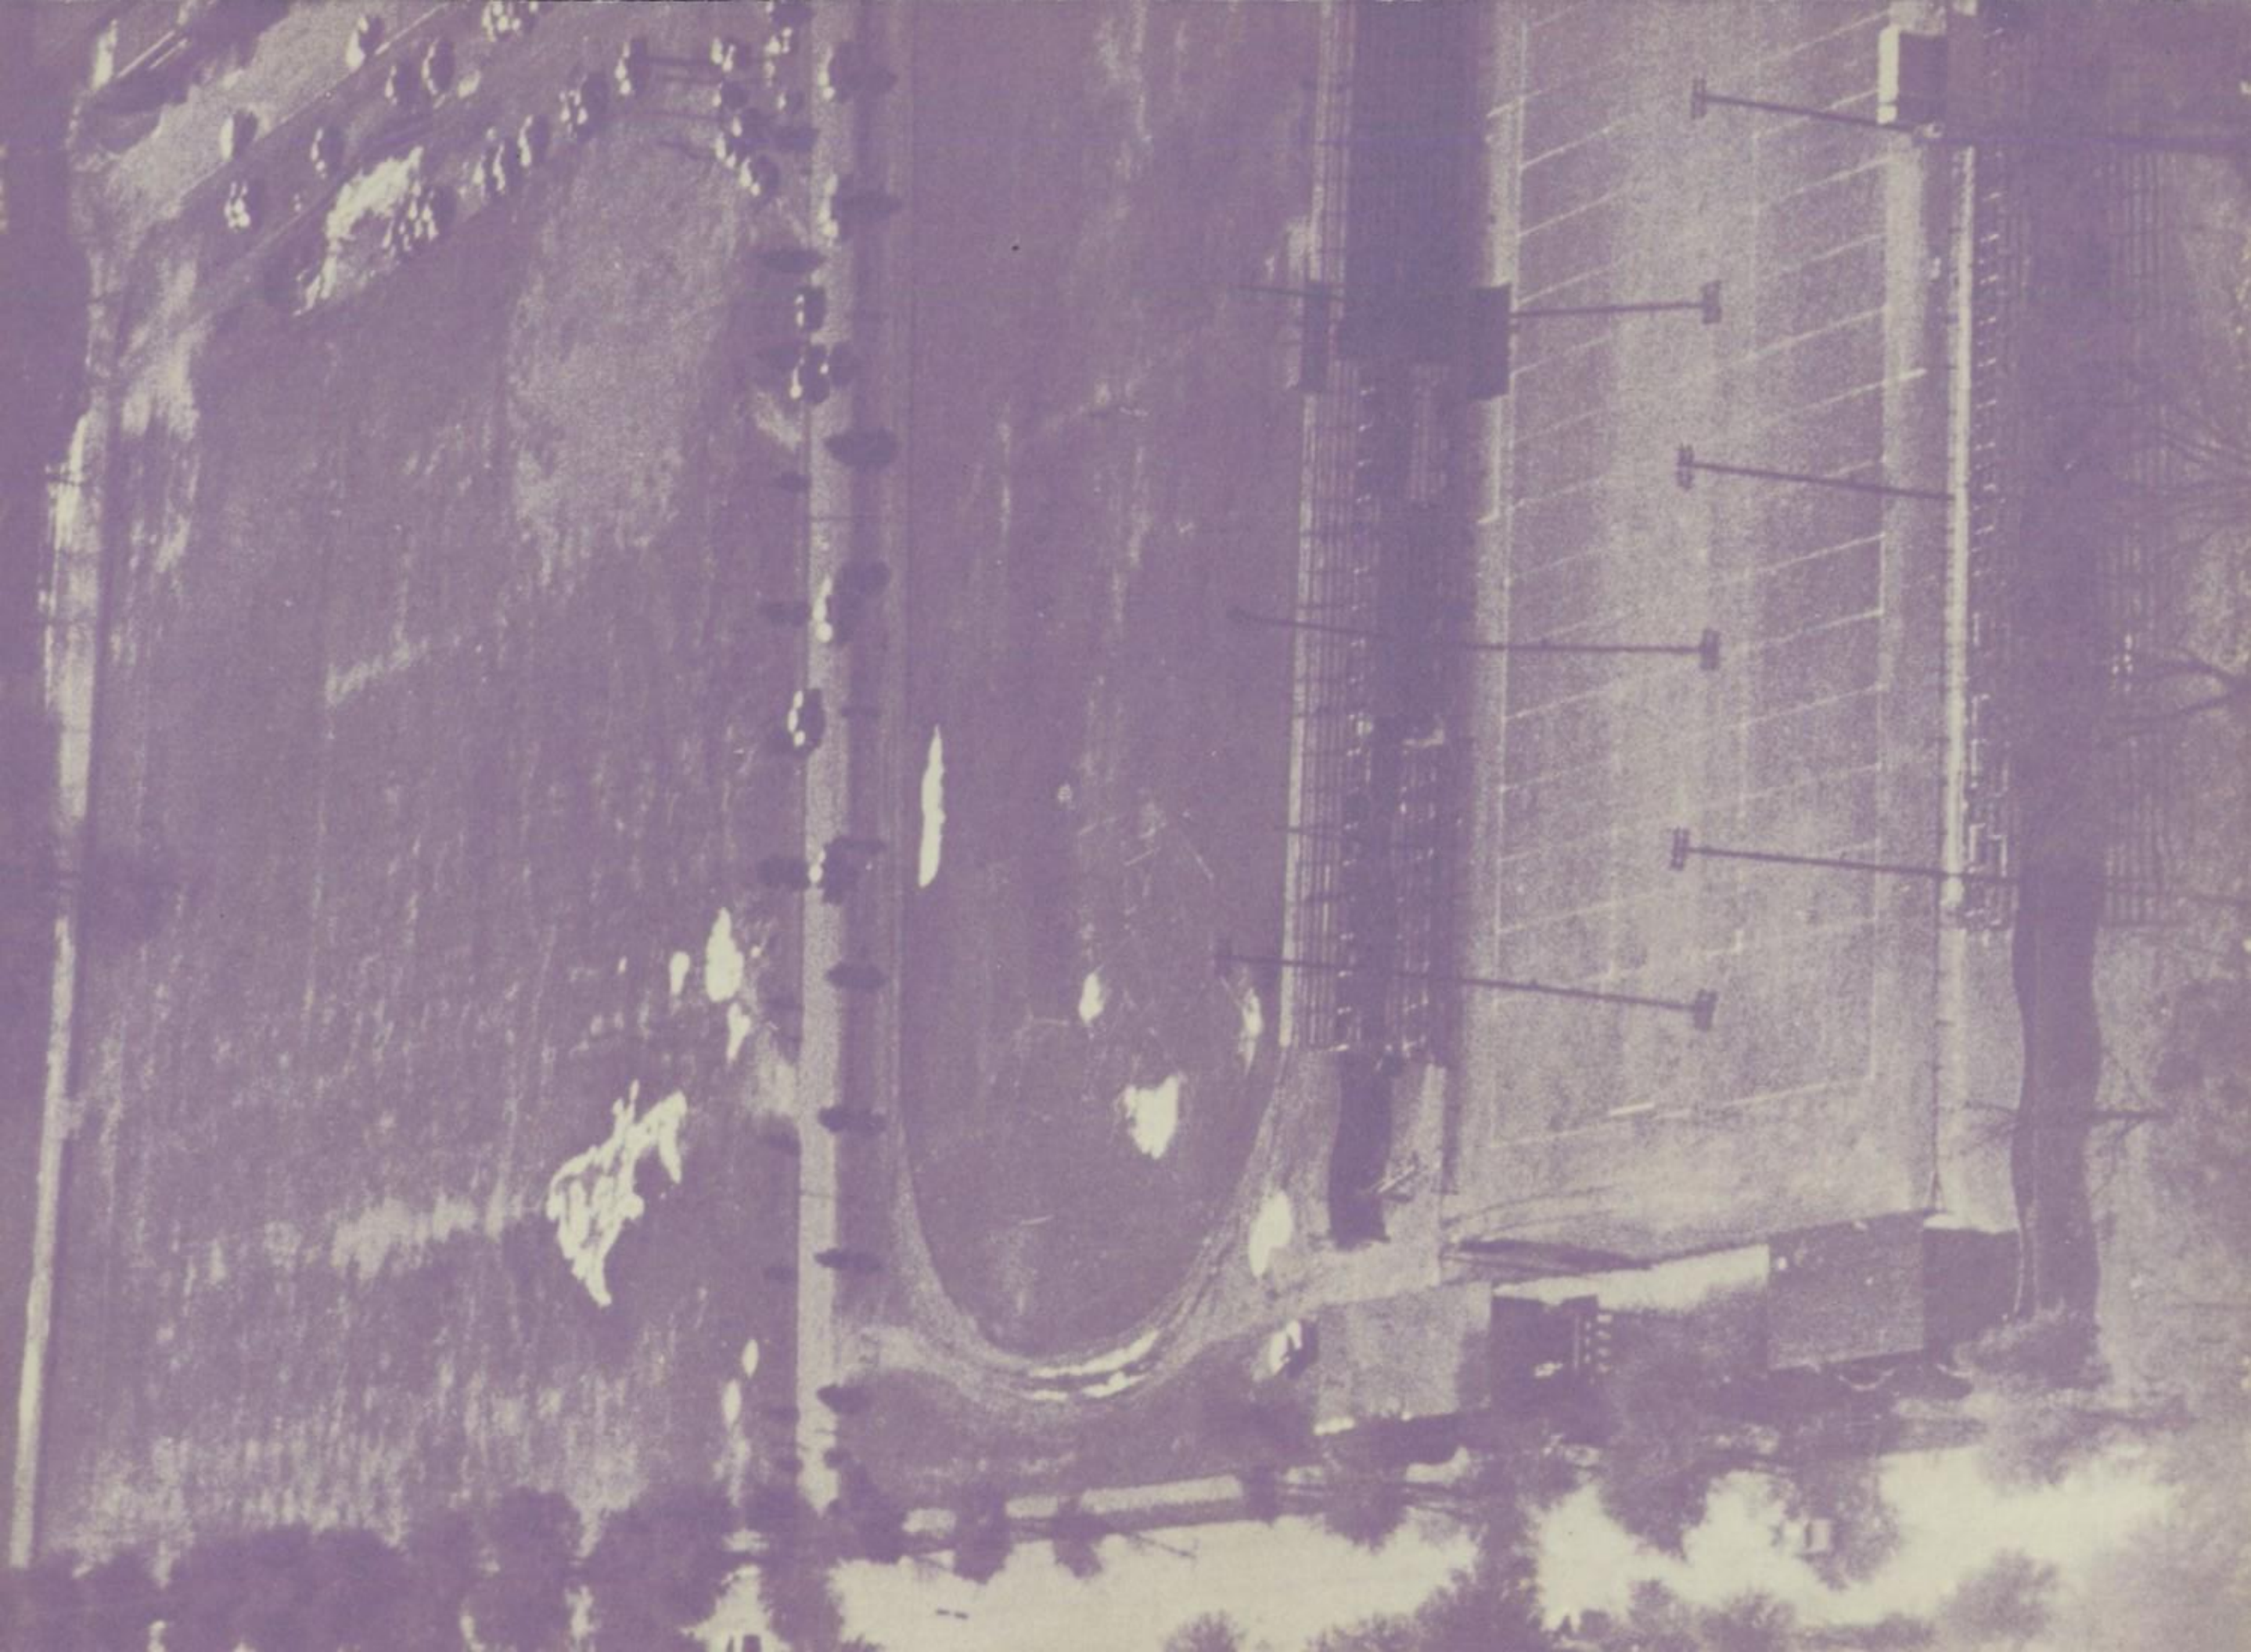
For certain pictures:

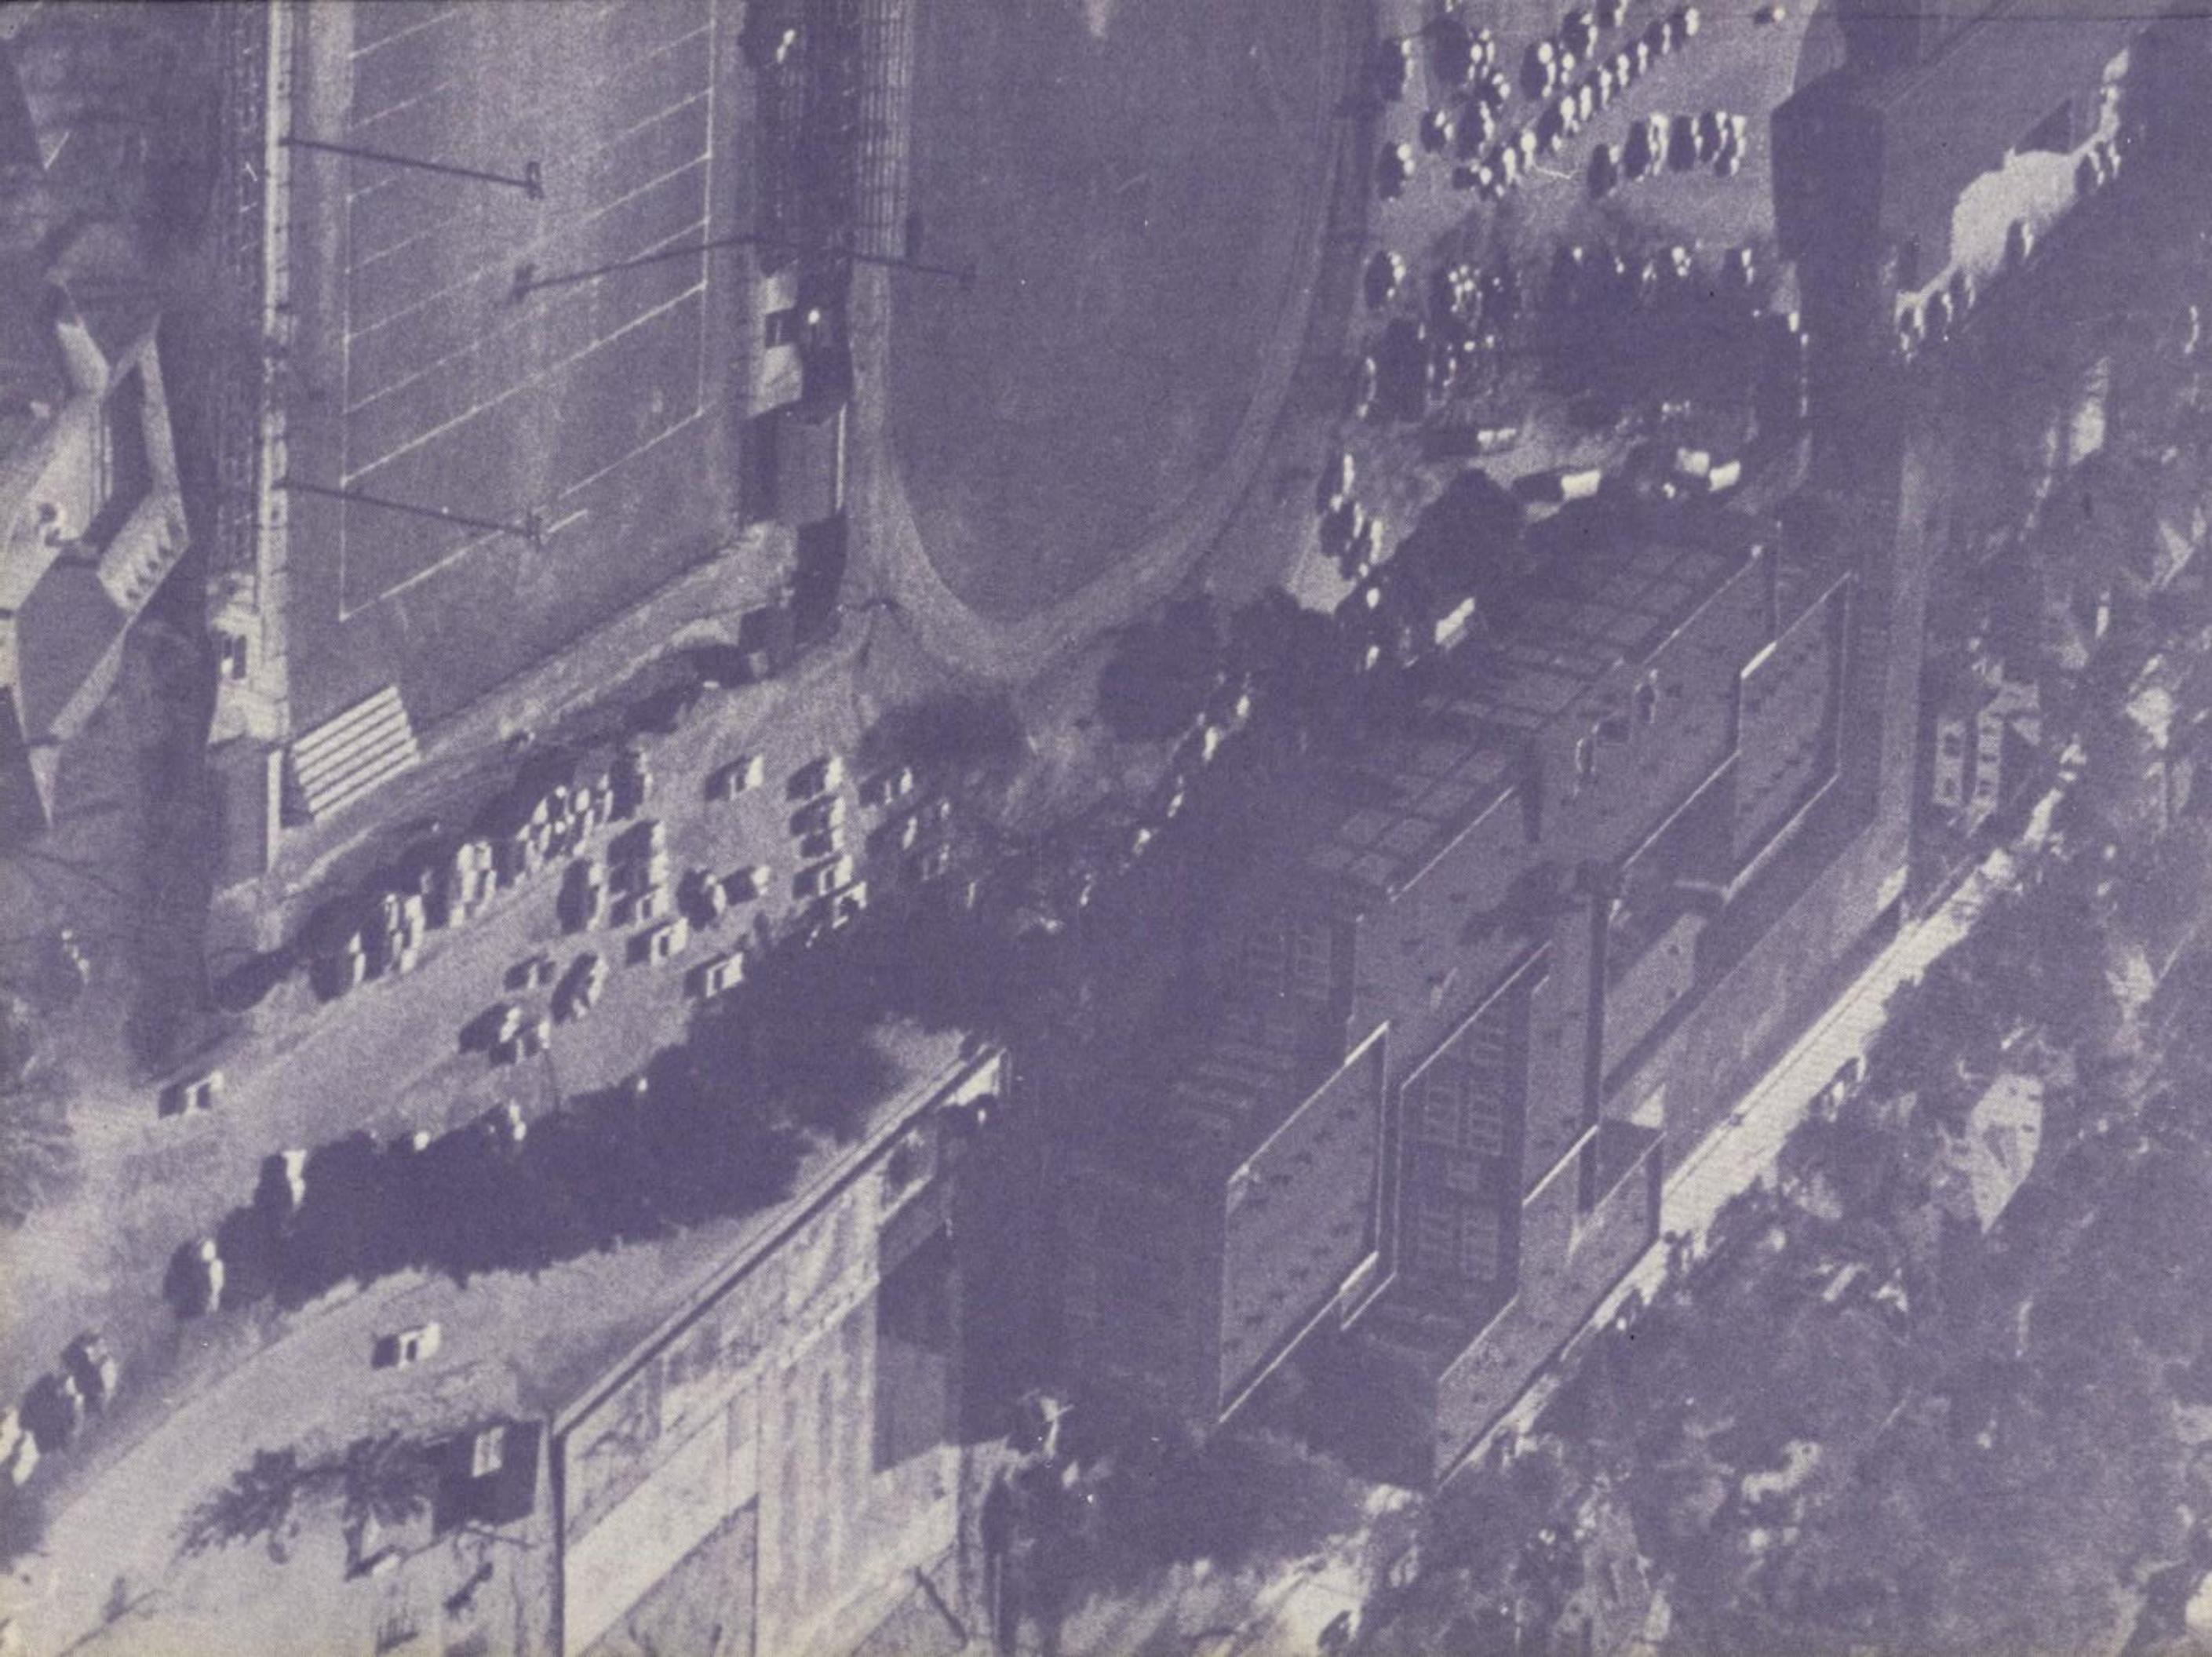
Mr. George M. Scott, Judy George, and Col. Glenn T. Miller.

For his Senior ring by which the dye was made for the cover of this issue of THE RAINBOW:

Doug Walton (ring-less all year long just to help THE RAINBOW!) And how about those cartoons?

These and others have my personal thanks. I am grateful to these people and to other students who showed such willingness to help me as advisor; to students who participated in the poetry and the art contests; to students and teachers who know the advantage of alphabetical lists; to those who were prompt in fulfilling requests and pleasant in times of misunderstanding; to those whose remarks were brushed with sunshine during cloudy and rainy days. To these last ones especially, I guess; for out came THE RAINBOW!

I could not close a list of acknowledgments and thanks without including the one whose help, many times into the wee hours of the morning, and whose encouragement—in our mutual anticipation—have been of great value: Mother.




Lochie Jo Allen, Adv.
